Sub: Clarification about sanctioned FSI (7866.50) and proposed FSI for registration (880.19)

Dear Sir,

With reference to above mentioned subject we would clarify that out of the sanctioned FSI of 7866.50 Sq.Mt (Gr+19) we Raj Enterprises-Promoter is utilizing only FSI of 880.19 and is constructing Ground + 1st Floor only. We are planning to sell balance FSI to some other developer for construction of remaining floors.

So we applied for registration of FSI 880.19 (GR+1st Floor).
