Vasai-virar City Municipal Corporation

APPENDIX D-1

SANCTION OF BUILDING PERMISSION AND COMMENCEMENT CERTIFICATE

Building Permit No - 196065
Proposal Code : VVCMC-23-50037

Permit No. : VVCMC/B/2024/APL/00390
Date : 31/01/2024

10. Lift Certificate from PWD should be submitted before Occupation Certificate, if applicable.
11. Permission for cutting of tree, if necessary, shall be obtained from the tree authority. Also the certificate/letter for plantation of trees on the land, if required under the provision of tree act, shall be submitted before occupation certificate.
12. All guidelines mentioned in the environment and forest climate change department, Govt. of Maharashtra, letter no CAP-2023/CR-170,TC-2, shall be followed, if applicable
13. Authority will not supply water for construction.
14. Areas/cities where storm water drainage system exists or designed, design and drawings from Service consultant for storm water drainage should be submitted to the concerned department of the authority before Commencement of the work and completion certificate of the consultant in this regard shall be submitted along with the application for occupancy certificate.
15. The owner/developer shall submit the completion certificate from the service consultant for completion of the septic tank or proper connection to the sewerage system of the authority or sewage treatment plant (where ever necessary)
16. **CONDITIONS FOR COMMENCEMENT CERTIFICATE:-** The set of the conditions as mentioned below shall be read with the Commencement Certificate of the particular building as mentioned. 1. The commencement certificate is liable to be revoked by the Municipal Corporation if :- a) The development work in respect of which permission is granted under this certificate is not carried out or the use thereof is not in accordance with the sanctioned plans. b) Any of the conditions subject to which the same is granted or any of the restrictions imposed by the Municipal Corporation is contravened. c) The Commissioner, VVCMC is satisfied that the same is obtained by the applicant through fraud or misrepresentation and the applicant and every person deriving title through or under him, in such event shall be deemed to have carried out the development work in contravention of Section 43 or 45 of the Maharashtra Regional and Town Planning Act, 1966. 2. The applicant shall: - a) Give notice to the Municipal Corporation immediately after starting the development work in the land under reference. b) Give notice to the Municipal Corporation on completion upto the plinth level & before the commencement of the further work. c) Give written notice to the Municipal Corporation regarding completion of the work. d) Obtain an occupancy certificate from the Municipal Corporation. e) Permit authorized officers of the Municipal Corporation to enter the building or premises for the purpose of inspection with regard to observing building control regulations and conditions of the certificate. f) Install a 'Display Board' on the most conspicuous place on site indicating: - i. Name & address of owner /developers, architect, Structural Engineer and contractor. ii. S.NO./CTS No., Ward No., Village Name along with description of its boundaries. iii. Order number and date of grant of development permission/redevelopment permission issued by Municipal Corporation. iv. FSI permitted. v. No. of residential/commercial flats and shops with their areas. vi. Address where copies of detailed approved plans shall be available for inspection. vii. A notice in the form of an advertisement, giving all the details mentioned in i) to vi) above shall also be published in 2 widely circulated news papers one of which should be in regional language. 3. The structural Design including the aspects pertaining to seismic activity, building materials, Plumbing Services, Fire Protection, Electrical installation etc. shall be in accordance with the provisions (except for the provisions in respect to Floor Area Ratio) prescribed in the National Building Code amended from time to time by the Bureau of India Standards. 4. The commencement certificate shall remain valid for a period of one year for the particular building under reference from the date of its issue. 5. The conditions of the certificate shall be binding not only on the applicant but also on his successors, and every person deriving title through or under them. 6. A certified copy of the approved plan shall be exhibited on site. 7. The land vacated in consequence of the enforcement of the set-back rule shall form part of the public street. 8. No new building or part thereof shall be occupied or allowed to be occupied or used or permitted to be used by any person until occupancy certificate has been granted by this Municipal Corporation. If the occupancy is reported before grant of occupancy certificate and unauthorized Occupancy Charges and other charges as applicable. 9. This permission does not entitle you to develop the land which does not vest in you. 10. You shall provide over-head water tank on the building as per the Bombay Municipal Corporation standards and to the satisfaction of Vasai-Virar City Municipal Corporation. 11. You should approach Executive Engineer (MSEB) for the temporary power requirement, location of the transformer etc. The permanent power connection from MSEB can be obtained only after getting the necessary occupancy certificate from this Municipal Corporation. 12. The transfer of the property under reference can be effected only after the necessary approval from Municipal Corporation or occupancy certificate is obtained by the applicant before any such transfer. 13. You shall provide at your own cost, the infrastructural facilities within the plot as stipulated by the Municipal Corporation (Internal Access, channelization of water, arrangements of drinking water, arrangements for conveyance, disposal of sullage and sewage, arrangement of collection of solid waste) before applying for occupancy certificate. Occupancy Certificate shall not be granted unless all these arrangements are found to the satisfaction of Municipal Corporation. 14. As far as possible no existing tree shall be cut. If this is unavoidable, twice the number of trees cut shall be planted on site. 15. The grant of this permission is subject to the provisions of any other law for the time being in force and that may be applicable to the case e.g. Urban Land (Ceiling & Regulations) Act 1969 & getting the building plans approved from various authorities. 16. You shall provide potable water to the consumer / occupier of tenements/units before applying for occupancy certificate. The possession of said property shall not be given before occupancy certificate be granted only after verifying the provision of potable water to the occupier. 17. The owner shall get the approved layout demarcated on the site by the Surveyors of the TILR, Palghar, and shall submit to the Municipal Corporation the measurement plan certified by the TILR, Vasai for record. The demarcation of approved layout on the site shall be carried out so as not to alter /reduce the dimensions and area of the roads, open space or other reservations. The demarcated layout measurement plan certified by TILR shall be submitted before grant of occupancy certificate. The conditions prescribed in N.A order as regards TILR preparation is binding on you. 18. The owner shall provide at his own cost the following infrastructural facilities of such standards (i.e. standards relating to design, material or specifications) as stipulated by the Municipal Corporation. a) Internal access roads along with storm water drains. b) Channelization of water courses and culverts, if any. c) The arrangements of water supply and drainage disposal

Permit No. : VVCMC/B/2024/APL/00390
Date : 31/01/2024

shall be made by the individual owner of the plot at his own cost. d) Arrangements for collection of solid waste. e) All fire fighting requirement along with necessary accessories as prescribed in DCR and national building code and as per chief fire officer remarks. f) Rain Water Harvesting systems and solar assisted Water Heating systems. g) Veuni Composting unit 19. The low-lying areas shall be filled as per formation levels indicated on the development plan prepared for Virar-Vasai Sub-Region. Further, the required arrangements of storm water drain and septic tank /STP or any other arrangement as may be prescribed, shall have to be done according to the specifications. 20. The owner shall permit the use of the internal access roads to provide access to an adjoining land. 21. The owner shall submit to the Municipal Corporation the scheme of the development of 10% depending on plot area compulsory recreational space and develop it in accordance with the approved scheme. 22. The owner shall not further sub-divide or amalgamate plots without obtaining prior approval of the Municipal Corporation. 23. The owner shall not dispose off any plot or tenement unless the infrastructural facilities mentioned in conditions No. 18 above are actually provided. 24. If the owner does not make adequate arrangements for conveyance and disposal of sullage and sewage before disposal of the plots, he shall, through appropriate agreements, ensure that this obligation is cast upon the buyers of the plot or tenements. 25. The owner shall observe all the rules in force regarding over head/underground electric lines / transmission lines/utilities passing through the layout while designing the individual buildings and while getting the approval of the concerned authority. 26. No construction on sub-divided plots shall be allowed unless internal road and storm Water Drains/Sewerage are constructed to the satisfaction of the appropriate authority. 27. Open space shown in the layout shall be kept open permanently and shall be handed over to the appropriate authority. 28. No plot should be disposed off unless the sale permission under Section 43 of the B.T. & A.L. Act is obtained from the sub-divisional officer concerned if the land under reference is a restricted tenure land. 29. No development shall be taken up unless the N.A. Permission is obtained from the Collector under the provisions of M.L.R. Code 1966, and also all necessary permission as applicable depending on the class of the land type of tenure type of Occupant etc. is obtained by the concerned owner applicant after completing all the legal formalities VVCMC is not responsible for any lapse on your part in obtaining various permissions required as per other acts of both state and central Govt., etc. 30. If the plot is intended to be sold or otherwise disposed off by the owner, it shall be done by the owner subject to the conditions mentioned in this order. He shall invariably make specific mention about these conditions in the deed to be executed by him. 31. This order is liable for cancellation on contravention or breach of any of the conditions of this order. 32. Notwithstanding anything contained in the Commencement Certificate conditions, it shall be lawful for the Municipal Corporation to direct the removal or alteration of any structures erected or the use contrary to the provisions of this grant. Municipal Corporation may cause the same to be carried out and recover the cost of carrying out the same from the grantee / successors and every person deriving title through or under them. 33. The owner shall have to provide water in requisite quantity from the sources to the prospective flat buyers for perpetuity. 34. The plinth level will be 600 mm above the nearby road level (top of chamber). 35. Separate stacks for ground floor and upper floors for sewerage disposal shall be provided. 36. Drinking water wells should be well built and well protected. 37. If the length of the proposed building exceeds 45 M, the expansion joints shall be provided at suitable places with suitable materials. 38. While extracting water from underground, you will strictly follow the instructions given by Sr. Geologist of the G.S.D.A. to ensure that proper quality and quantity of water is available to you and no contamination of the water source and its surroundings takes place. 39. You will not take up any development activity on the aforesaid property till the court matter is pending, if any or in any court of law relating to this property and the responsibility of following the court order strictly lies with your consequences due to violation of court order shall be borne by you. VVCMC is not responsible for any violations. If applicable. 40. You will make suitable arrangements for temporary accommodation and permanent accommodation of the tenants, if any while redeveloping the scheme and will also give a proposal to accommodate them. 41. You will construct the society room as proposed and approved in the plan and it will not be used other than for society's purpose. This society room shall be handed over to the Co-operative housing Society to be formed in due course of time. 42. For the portion of the compound wall rounded off at the corner at road junctions, M.S. grills over 0.75 m of brick work, upto the height of 1.5 m from the ground shall be provided. 43. This development permission shall enable you to construct upto plinth level only. For further construction, plinth completion intimation has to be submitted from this office. 44. You shall not cut any tree which is existing on site. The existing tree shall be replanted by adopting suitable technology by taking permission from Vasai Virar city municipal Corporations. New trees shall be planted on the premises @ 30 per sq.m of BUA and 10@ per Sq.m in R.G. Further you shall submit NOC from tree Authority of VVCMC before applying for occupancy certificate regarding compliance to governing tree act also. 45. Only one unit shall come up in each gala and no sub-division of gala for subletting or accommodating other unit shall be allowed. 46. You shall submit detailed proposal for rain water harvesting and solid waste disposal to treat dry and organic waste separately before intimation for plinth completion is submitted. 47. You shall submit detailed proposal for sewage treatment plant by way of package treatment plant, recycling of water and solid waste disposal through composting vermiculture project before applying for Occupancy certificate. You shall use fly ash bricks or blocks or clay fly ash bricks or cement fly ash bricks or blocks or similar products of a combination of aggregate of them in the construction of the project and as per the notification of Ministry of Environment & Forest Govt. of India date 27th Aug. 2003. 48. Notwithstanding anything contained in the Development Control Regulations, the Development Plan provisions or the approvals granted / being granted to you; it shall be lawful on the part of the Municipal Corporation to impose new conditions for compliance as may be required and deemed fit to adhere to any general or specific orders or directives of any Court of Law, Central / State Government, Central / State PSU, Local Authority or any public authority as may be issued by them from time to time. 49. You shall develop access road of W.B.M. standard before Commencement of work. 50. You shall provide all arrangement for labours as per governing statues like temporary livable accommodation, sanitary arrangements, health facilities etc., you shall give the compliances at the time of Plinth Completion certificate. As per central Govt. directives no open defecation shall take place. To ensure the same is your responsibility.

Vasai-virar City Municipal Corporation

APPENDIX D-1
