95	195	Bed Room	10.00	30.00	
96	196	Bed Room	10.00	30.00	
97	197	Bed Room	10.00	30.00	
98	198	Bed Room	10.00	30.00	
99	199	Bed Room	10.00	30.00	
100	200	Bed Room	10.00	30.00	

GENERAL NOTES:

- The Owner/Contractor shall provide all necessary services and materials for the construction of the building.
- The Contractor shall be responsible for obtaining all necessary permits and approvals from the local authorities.
- The Contractor shall ensure that the construction work is carried out in accordance with the approved plans and specifications.
- The Contractor shall maintain the site in a safe and secure condition at all times.
- The Contractor shall be responsible for the disposal of all waste materials generated during the construction process.
- The Contractor shall ensure that the construction work is completed within the agreed time frame.
- The Contractor shall be responsible for the payment of all taxes and levies applicable to the project.
- The Contractor shall be responsible for the maintenance and repair of the building during its lifetime.
- The Contractor shall be responsible for the insurance of the building and its contents.
- The Contractor shall be responsible for the safety of all workers and the public during the construction process.
- The Contractor shall be responsible for the protection of the environment and the surrounding area.
- The Contractor shall be responsible for the compliance with all applicable laws and regulations.
- The Contractor shall be responsible for the provision of all necessary services and facilities to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary information to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary support services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary security services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary maintenance services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary repair services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary replacement services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary improvement services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary renovation services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary restoration services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary conservation services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary preservation services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary protection services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary management services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary administration services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary financial services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary legal services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary technical services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary professional services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary consulting services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary advisory services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary research services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary development services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary innovation services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary entrepreneurship services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary social services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary cultural services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary recreational services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary educational services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary health services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary social services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary cultural services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary recreational services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary educational services to the occupants of the building.
- The Contractor shall be responsible for the provision of all necessary health services to the occupants of the building.
