**II. COMMENTS AND OBSERVATION ON DOCUMENTS FURNISHED IN
PART A:**

1. The property forming the subject matter of this part (Part A) of the title due diligence report are lands bearing Survey No. 174/5 measuring 27 Guntas and Survey No. 174/7 measuring 17 Guntas situated in Kaggalipura Village, Uttarahalli Hobli, Bengaluru South Taluk, Bengaluru Urban District. Lands bearing Survey No. 174/5 and 174/7 earlier formed part of larger extent of land bearing Survey No. 174 measuring 6 Acres 24 Guntas (including 11 Guntas of unarable land classified as B Kharab lands) situated in Kaggalipura Village.
2. It appears that Kaggalipura village was a Khayam Gutta village attached to an Inam (beneficial grants made in favour of Inamdars on a permanent assessment based on the then existing revenue). Pursuant to the enactment of the Mysore (Personal and Miscellaneous) Inams Abolition Act, 1954 ("**Inams Act**"), read with Notification No. R.8347-L.S.63-56-2, dated September 15, 1956, published in the Karnataka Gazette, on September 20, 1956, the privileged tenurial rights vested in the Inamdars ceased and lands comprised in the Inam stood vested in the State Government, with a right to the Inamdars and tenants to make an application for re-grant of the said lands.
3. It appears that an application for regrant of an extent of 1 Acre 20 Guntas in land bearing Survey No. 174 was made by one Ramaiah, son of Doddavenkatappa. In this regard, I have been provided with a copy of Order dated August 6, 1958 and Endorsement dated August 11, 1959 issued by the Special Deputy Commissioner for Abolition of Inams, Bangalore and Kolar Districts, and a copy of Extract of Register in Form VIII issued by the Tahsildar, Bangalore South Taluk, confirming the occupancy rights of the aforesaid Ramaiah in respect of 1 Acre 20 Guntas in land bearing Survey No. 174 (Document Nos. 1 to 3).

4. I have been provided with a copy of extract of Register of Inheritance Cases reflecting entry bearing IHC No. 11/1983-84 which indicates that pursuant to the death of Ramaiah, the Khata in respect of land bearing Survey No. 174 measuring 1 Acre 20 Guntas was transferred in the name of his wife Venkatamma (Document No. 4). However, not been provided with the death certificate and genealogical tree of Ramaiah and have been informed that the said documents are not available. In view of the sale of the property in the year 1991 (as noted below) when the purchaser was vested with possession of lands bearing Survey Nos. 174/5 and 174/7, the said issue becomes nugatory. It is, however, advisable to secure a representation from the current owner that his possession and enjoyment of the said lands bearing Survey Nos. 174/5 and 174/7 has been peaceful and uninterrupted.
5. It appears that land bearing Survey No. 174 was initially sub-divided into seven portions bearing Survey No. 174/1 to Survey No. 174/7 and the name of Ramaiah was reflected as the owner of lands bearing Survey No. 174/4 measuring 24 Guntas and Survey No. 174/6 measuring 18 Guntas (Document No. 5). Subsequently, land bearing Survey No. 174 appears to have been re-surveyed and further sub-divided to form Survey Nos. 174/1 to 174/8 (Document No. 6). It appears that Ramaiah was in possession of an extent of only 27 Guntas in land bearing Survey No. 174/5 and 17 Guntas in land bearing Survey No. 174/7 and therefore, the name of Ramaiah was reflected as the owner of the said lands.
6. Thereafter, the aforesaid Venkatamma, her son Ramakrishna alias Ramakrishnappa and Mr. Mohan Kumar (son of late Govindaraj) executed a Sale Deed dated December 20, 1991 under which they conveyed lands bearing Survey Nos. 174/5 and 174/7 totally measuring 1 Acre 4 Guntas in favour of Y. Sulochana, wife of Ramachandra Naidu (Document No. 7). The name of the aforesaid Y. Sulochana was entered in the revenue records as the owner of lands bearing Survey Nos. 174/5 measuring 27 Guntas and 174/7 measuring 17 Guntas vide an entry bearing MR No. 46/1991-92 in the Mutation Register (Document No. 8).
7. I have been furnished with copies of Record of Rights, Tenancy and Crop Inspection in respect of land bearing Survey No. 174 for the period 1970-

71 to 1991-92 (Document No. 9). The RTC for the period 1980-81 to 1990-91 reflects the name of Venkatamma as the owner of an extent of 1 Acre 20 Guntas in land bearing Survey No. 174. It is also seen that the name of Ramaiah has been deleted.

8. I have been furnished with copies of Record of Rights, Tenancy and Crop Inspection in respect of lands bearing Survey No. 174/5 and Survey No. 174/7 for the period 1992-93 to 2019-20 which reflects the name of Y. Sulochana as the owner and cultivator of lands bearing Survey No. 174/5 measuring 27 Guntas and Survey No. 174/7 measuring 17 Guntas (Document No. 10 & 11).

IV. COMMENTS AND OBSERVATION ON DOCUMENTS FURNISHED IN PART B:

1. The property forming the subject matter of this part (Part B) of the title

S. Meghana

- due diligence report are lands bearing Survey No. 174/6 measuring 4 Guntas and Survey No. 174/8 measuring 26 Guntas situated in Kaggalipura Village, Uttarahalli Hobli, Bengaluru South Taluk, Bengaluru Urban District. Lands bearing Survey No. 174/6 and 174/8 earlier formed part of larger extent of land bearing Survey No. 174 measuring 6 Acres 24 Guntas (including 11 Guntas of unarable land classified as B Kharab lands) situated in Kaggalipura Village.
2. It appears that Kaggalipura village was a Khayam Gutta village attached to an Inam (beneficial grants made in favour of Inamdars on a permanent assessment based on the then existing revenue). Pursuant to the enactment of the Mysore (Personal and Miscellaneous) Inams Abolition Act, 1954 ("**Inams Act**"), read with Notification No. R.8347-L.S.63-56-2, dated September 15, 1956, published in the Karnataka Gazette, on September 20, 1956, the privileged tenurial rights vested in the Inamdars ceased and lands comprised in the Inam stood vested in the State Government, with a right to the Inamdars and tenants to make an application for re-grant of the said lands.
 3. It appears that an application for regrant of an extent of 2 Acres 8 Guntas in land bearing Survey No. 174 was made by one Subbanna, son of Subbanna. In this regard, I have been provided with a copy of Order dated August 6, 1958 and Endorsement dated August 8, 1959 issued by the Special Deputy Commissioner for Abolition of Inams, Bangalore and Kolar Districts, and a copy of Extract of Register in Form VIII issued by the Tahsildar, Bangalore South Taluk, confirming the occupancy rights of the aforesaid Subbaiah in respect of 2 Acres 8 Guntas in land bearing Survey No. 174 (Document Nos. 1 to 3).
 4. I have been furnished with a copy of extract of Register of Inheritance Cases reflecting entry bearing IHC No. 8/1982-83 which indicates that pursuant to the death of Subbanna, the Khata in respect of land bearing Survey No. 174 measuring 2 Acres 8 Guntas was transferred in the name of his son S. Nagaraju (Document No. 4). It is noticed in the aforesaid entry bearing IHC No. 8/1982-83 that Subbanna had two daughters by names Lakshmamma and Venkatamma.
 5. It appears that land bearing Survey No. 174 was initially sub-divided into

seven portions bearing Survey No. 174/1 to Survey No. 174/7 and the name of Subbanna was reflected as the owner of lands bearing Survey No. 174/5 measuring 5 Guntas and Survey No. 174/7 measuring 27 Guntas (Document No. 5). Subsequently, land bearing Survey No. 174 appears to have been re-surveyed and further sub-divided to form Survey Nos. 174/1 to 174/8 (Document No. 6). It appears that Subbanna was in possession of an extent of only 4 Guntas in land bearing Survey No. 174/6 and 26 Guntas in land bearing Survey No. 174/8 and therefore, the name of Subbanna was reflected as the owner of the said lands.

6. Thereafter, the aforesaid S. Nagaraju (son of Subbanna) executed a Sale Deed dated September 28, 1983 under which he conveyed an extent of 1 Acre in land bearing Survey No. 174 in favour of one K. M. Ramesh, son of K. Munirathnam Naidu (Document No. 7).
7. It is pertinent to note that the daughters of Subbanna, namely, Lakshamma and Venkatamma did not join in the execution of the aforesaid Sale Deed dated September 28, 1983. A risk of a claim being raised by the said Lakshamma and Venkatamma appears to be remote as more than 30 years have passed since the execution of the sale deed by S. Nagaraju. Any action by Lakshamma and Venkatamma or their legal heirs will have to be resisted by raising the defense of limitation in view of subsequent transactions pertaining to the said lands and in view of the revenue records being consequently updated over the last 36 years. Additionally, appropriate indemnities may be secured from the current owner of the said lands.
8. K. M. Ramesh sold the said extent of 1 Acre in land bearing Survey No. 174 in favour of Y. Sulochana, wife of Ramachandra Naidu under a Sale Deed dated October 28, 1991 (Document No. 8). I have been provided with a copy of entry bearing MR No. 46/1991-92 in the Mutation Register which indicates that the name of the aforesaid Y. Sulochana was entered in the revenue records as the owner of lands bearing Survey Nos. 174/6 measuring 3 Guntas and 174/8 measuring 26 Guntas (Document No. 9). The aforesaid entry in the Mutation Register indicates that the transaction on the basis of which the said entry was passed is Sale Deed dated October 28, 1991 executed by K. M. Ramesh in favour of Y. Sulochana.

S. Meghana

9. I have been provided with copies of Record of Rights, Tenancy and Crop Inspection in respect of land bearing Survey No. 174 for the period 1970-71 to 1991-92 (Document No. 10). The RTC for the period 1980-81 to 1990-91 reflects the name of Subbanna as the owner of an extent of 2 Acres 8 Guntas in land bearing Survey No. 174. The said RTC also indicates the name of K. M. Ramesh as the subsequent purchaser of an extent of 1 Acre in land bearing Survey No. 174. It is however, seen that the name of S. Nagaraj continued to reflect in the RTC as the owner and cultivator of an extent of 1 Acre 8 Guntas in land bearing Survey No. 174 until 1990-91 when it was deleted.
10. I have been provided with copies of Record of Rights, Tenancy and Crop Inspection in respect of lands bearing Survey No. 174/6 and Survey No. 174/8 for the period 1992-93 to 2019-20 which reflects the name of Y. Sulochana as the owner and cultivator of lands bearing Survey No. 174/6 measuring 3 Guntas and Survey No. 174/8 measuring 26 Guntas (Document Nos. 11 & 12).

1. The property forming the subject matter of this part (Part C) of the title due diligence report are lands bearing Survey No. 174/3 measuring 4 Guntas and Survey No. 174/4 measuring 2 Acres 16 Guntas situated in Kaggalipura Village, Uttarahalli Hobli, Bengaluru South Taluk, Bengaluru Urban District. Lands bearing Survey No. 174/3 and 174/4 earlier formed part of larger extent of land bearing Survey No. 174 measuring 6 Acres 24 Guntas (including 11 Guntas of unarable land classified as B Kharab lands) situated in Kaggalipura Village.
2. It appears that Kaggalipura village was a Khayam Gutta village attached to an Inam (beneficial grants made in favour of Inamdars on a permanent assessment based on the then existing revenue). Pursuant to the enactment of the Mysore (Personal and Miscellaneous) Inams Abolition Act, 1954 ("**Inams Act**"), read with Notification No. R.8347-L.S.63-56-2, dated September 15, 1956, published in the Karnataka Gazette, on September 20, 1956, the privileged tenurial rights vested in the Inamdars ceased and lands comprised in the Inam stood vested in the State Government, with a right to the Inamdars and tenants to make an application for re-grant of the said lands.
3. It appears that one Gundappa, son of Lingappa filed an application for regrant of an extent of 2 Acres 10 Guntas and one Nagappa, son of Doddavenkatappa filed an application for regrant of an extent of 15 Guntas, in land bearing Survey No. 174. In this regard, I have been furnished with a copy of Order dated August 6, 1958 and Endorsement dated August 11, 1959 issued by the Special Deputy Commissioner for

S. Meghana

Abolition of Inams, Bangalore and Kolar Districts, and a copy of Extract of Register in Form VIII issued by the Tahsildar, Bangalore South Taluk, confirming the occupancy rights of the aforesaid Gundappa in respect of 2 Acres 10 Guntas in land bearing Survey No. 174 (*Document Nos. 1 to 3*). I have not been provided with an order passed under the Inams Act in respect of the application made by Nagappa. I have however, been provided with a copy of Extract of Register in Form VIII issued by the Tahsildar, Bangalore South Taluk, confirming the occupancy rights of the aforesaid Nagappa in respect of 15 Guntas in land bearing Survey No. 174 (*Document No. 4*). Subsequently, land bearing Survey No. 174 appears to have been re-surveyed and further sub- divided to form Survey Nos. 174/1 to 174/8 (*Document No. 7*). The said Hissa Tippani reflects the name of Gundappa as the owner of 4 Guntas in land bearing Survey No. 174/3 and 2 Acres 16 Guntas in land bearing Survey No. 174/4. The name of Nagappa is not reflected as one of the owners of land in Survey No. 174. It is advisable to secure a clarification in this regard.
5. I have been provided with a copy of a Sale Deed dated October 28, 1991 under which one Narasarasappa, son of Late Nalle Hanumaiah and R. Pursuant thereto, the name of the aforesaid Y. Sulochana was entered in the revenue records as the owner of lands bearing Survey Nos. 174/3 measuring 4 Guntas and 174/4 measuring 2 Acres 12 Guntas vide an entry in the Mutation Register bearing MR No. 49/1991-92 (*Document No. 9*). I have not been provided with any documents under which the aforesaid Narasarasappa and R. Arasappa acquired title to 2 Acres 18 Guntas in

S. Meghana

Arasappa has been appearing as the owners of an extent of 2 Acres 18 Guntas in land bearing Survey No. 174 in the RTC from 1980-81 to 1990-91. Further, the sale in favour of Y. Sulochana having been effected as far back as in the year 1991 where she was put in possession of the properties conveyed thereunder, a risk of claim from any third party is to a large extent, mitigated. It would however, be advisable to secure appropriate indemnities from the current owner with regard to any such claim.

6. I have been provided with copies of Record of Rights, Tenancy and Crop Inspection in respect of land bearing Survey No. 174 for the period 1970-71 to 1991-92 (Document No. 10). 1. The property forming the subject matter of this part (Part D) of the title due diligence report is land bearing Survey No. 175 measuring 30 Guntas situated in Kaggalipura Village, Uttarahalli Hobli, Bengaluru South Taluk, Bengaluru Urban District.
2. It appears that land bearing Survey No. 174 of Kaggalipura Village was earlier attached to an Inam (beneficial grants made in favour of Inamdars on a permanent assessment based on the then existing revenue). Pursuant to the enactment of the Mysore (Religious and Charitable) Inams Abolition Act, 1955 ("**Inams Act**"), the privileged tenurial rights vested in the Inamdars ceased and lands comprised in the Inam stood vested in the State Government, with a right to the Inamdars and tenants to make an application for re-grant of the said lands.
3. I have been provided with a copy of Order dated August 6, 1958, passed by the Special Deputy Commissioner for Abolition of Inams, Bangalore and Kolar Districts, which indicates that the name of Sri Anjineya Devaru Temple was registered as an occupant under the provisions of Section 8 of the Inams Act in respect of the an extent of 30 Guntas in Survey No. 175 (Document No. 1). The Endorsement dated August 10, 1959, issued by the Special Deputy Commissioner for Abolition of Inams, Bangalore and Kolar Districts and the Extract of Register in Form VIII issued by the Tahsildar, Bangalore South Taluk reflect the name of Sri Anjineya Devaru Temple as the occupant of the said land (Document Nos. 2 & 3).
4. It appears that the land was being cultivated by one A. Rajanna, who made an application for registration of his name as the occupant under

the provisions of the Inams Act. The Land Tribunal, vide order bearing No. LRF:INA:2624/1983-84, dated November 17, 1984, registered the said A. Rajanna as the owner of land bearing Survey No. 175 measuring 30 Guntas (Document No. 4). It is seen that the Sri Anjineya Devaru Temple is arrayed as the respondent in the aforesaid proceedings. It is also seen in the aforesaid order that the said A. Rajanna has remitted a sum of Rs. 212/- towards premium as stipulated under the Inams Act. The name of A. Rajanna was recorded as the owner of land bearing Survey No. 175 in the revenue records vide an entry in the Mutation Register bearing MR No. 22/1984-85 (Document No. 5).

5. A. Rajanna conveyed land bearing Survey Nos. 175 measuring 30 Guntas in favour of K. M. Gopalakrishna and K. M. Ramesh, sons of K. Munirathnam Naidu under a Sale Deed dated January 9, 1985 (Document No. 6). The names of K. M. Gopalakrishna and K. M. Ramesh were entered in the revenue records as the owner of land bearing Survey No. 75 measuring 30 Guntas vide an entry bearing MR No. 35/1984-85 in the Mutation Register (Document No. 7).
6. K. M. Gopalakrishna and K. M. Ramesh sold the said land bearing Survey No. 75 measuring 30 Guntas in favour of Y. Sulochana, wife of Ramachandra Naidu under a Sale Deed dated October 28, 1991 (Document No. 8). The name of the aforesaid Y. Sulochana was entered in the revenue records as the owner of land bearing Survey Nos. 175 measuring 30 Guntas vide an entry bearing MR No. 45/1991-92 in the Mutation Register (Document No. 9).
7. I have been provided with copies of Record of Rights, Tenancy and Crop Inspection (RTC) in respect of land bearing Survey No. 175 for the period 1970-71 to 1991-92 (Document No. 10). The RTC for the period 1970-71 to 1974-75 reflects the name of Anjineya Devaru as the owner and the name of one Poojari Seenappa as the cultivator of land bearing Survey No. 175. The RTC for the period 1975-76 to 1979-80 reflects the name of Anjineya Devaru as the owner of land bearing Survey No. 175. It is seen that the name of Poojari Seenappa has been replaced with that of A. Rajanna with effect from the year 1976-77.
8. The RTC for the period 1980-81 to 1985-86 reflects the transfers effected

in respect of land bearing Survey No. 175 from Anjineya Devaru to A. Rajanna and from A. Rajanna to K. M. Gopalakrishna and K. M. Ramesh. The RTC for the period 1986-87 to 2001-02 reflects the name of Y. Sulochana as the owner of land bearing Survey No. 175. The RTC for the period 1980-81 to 1991-92 reflects an encumbrance in respect of land bearing Survey No. 175 by way of a mortgage effected by A. Rajanna in favour of S. C. S. Taralu. It is not clear as to whether the said mortgage was discharged. The said mortgage however, is not reflected in the records pertaining to land bearing Survey No. 175 with effect from 1992-93. I have also been informed that the said S. C. S. Taralu is no longer in existence. It is however, advisable to issue a public notice calling for objections from members of the public against the intended transaction.

9. I have been furnished with copies of Record of Rights, Tenancy and Crop Inspection in respect of land bearing Survey No. 175 for the period 1992-93 to 2019-20 which reflect the name of Y. Sulochana Naidu as the owner of land bearing Survey No. 175 (Document No. 11).
