It may further be noted that the online database available on the websites of the respective courts is limited to cases where any of the Landowners are the first / primary plaintiff / petitioner or defendant / respondent and does not cover (i) cases / court proceedings where they may be included in the array of parties, and (ii) any variations, clerical/ typographical errors, misspellings in the recording of the names of the Landowner/s in the database maintained by the above mentioned courts, and therefore, such searches are neither exhaustive nor conclusive. PART A

5. LAND 1

5.1 Property Description

Survey Number	Extent as per title documents			Extent as per 2024-25 RTC extract			Name of the present owner

66/1	1	3	1	1	3 ½	1	Ganavi, daughter of Munegowda

66/3	0	15	0	0	14 ¾	0	Keerthana, daughter of Hanumanthagowda
Total	2	11	1	2	11	1	

5.2 Title Flow

- (a) Based on the review of the documents provided to us, we note that the land in Survey No. 66 measuring 2 Acres 12 Guntas including 1 Gunta of 'A' Kharab hereinafter referred to as 'Survey No. 66' is coming within the limits of Sarkari Guttahalli Village, Kasaba Hobli, Hosakote Taluk, Bangalore Rural District.
- (b) The earliest document of title provided to us is the sale deed dated 19 September 1935, (registered as document No. 426/1935-36 of Book I, Volume 445, at Pages 84 to 86 in the office of the Sub-Registrar, Hoskote) executed by Doddavenkataramana and Chikkavenkataramana, both sons of Adi Dravida Kenchamuniga, in favour of Bachegowda, son of Vakkaligara Venkataramanappa, with respect to Survey No. 66. The record of rights bearing RR No. 93, records Bachegowda, son of Venkataramanaiah as the khatedar, having acquired Survey No. 66 through sale and being in possession of Survey No. 66.

Observations:

- The Moola Tippani dated 9 December 1920 (discussed morefully at paragraph 5.4(b) below) records the name of Appanna/Appaiah (name not clear) as the 'kardadar' of Survey No. 66. However, there are no documents to record the manner under which the said Appanna/Appaiah acquired title to Survey No. 66.
- We been informed by the Representatives that the documents in terms of which Appanna/Appaiah acquired right, title and interest with respect to Survey No. 66, the manner in which it devolved onto the two sons of Adi Dravida Kenchamuniga, the Index of Land register, with respect to Survey No. 66 are not available. Given the antiquity of the documents, for the purposes of this Report, we have considered the good root of title with

respect to Survey No. 66 to be the sale deed dated 19 September 1935 noted above.

- Further, it appears from the sale deed dated 19 September 1935 that Doddavenkataramana and Chikkavenkataramana belonged to Adi Dravida caste. However, in the absence of any documents to evidence that lands in Survey No. 66 were granted in favour of Doddavenkataramana and Chikkavenkataramana, we have for the purpose of this report proceeded on the basis that the land in Survey No. 66 was their absolute property and not subject to any terms / conditions.
- From the recitals of the said sale deed, we note that Doddavenkataramana and Chikkavenkataramana had entered a lease deed with Bachegowda in the year 1930 registered as document No. 1079. We have not sighted the lease deed, and instead proceeded on the basis that such lease terminated with the merging of interests by way of the sale effected favouring Bachegowda so far it related to Survey No. 66.

(c) The affidavit dated 3 October 2024 sworn by V. Bachegowda, son of Venkataramanappa, before the Notary Public records the details of the family members of his grandfather, Late Bachegowda, son of Vakkaligara Venkataramanappa as detailed below:

- (i) Bachegowda (*deceased*) and his wife, Doddamma (*deceased*) had 2 (two) children namely B. Venkataramanappa (*deceased*) and Muniyamma (*deceased*).
- (ii) The said Venkataramanappa was married to Chennamma (*deceased*), and they have 9 (nine) children namely Yashodamma (*deceased*), Munegowda, V. Vijayamma, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda, V. Nagarathna, V. Narayan and V. Sumitra.

Observations:

We have been informed by the Representatives that the death certificates of Bachegowda, Doddamma, Muniyamma and Yashodamma; and family tree recording the names of members of Muniyamma's family are not available. Accordingly, we have for the purpose of this Report proceeded on the basis that the persons identified as surviving above are the only legal heirs of late Bachegowda or any of his deceased legal heirs.

(d) The aforesaid B. Venkataramanappa along with his 5 (five) sons namely (i) Munegowda, (ii) V. Bachegowda, (iii) V. Hanumanthagowda, (iv) V. Ramegowda and (v) V. Narayan (then being minor represented by his father and natural guardian B. Venkataramanappa), partitioned certain family properties including Survey No. 66, *vide* partition deed dated 8 May 1972 (registered as document No. 588/1972-73, of Book I, Volume No. 1329 at Pages 19 to 25 in the office of the Sub-Registrar, Hoskote). In terms of the said partition deed, Munegowda was allotted certain immovable

properties including Survey No. 66, as recorded in Schedule 'B' of the said partition deed.

Observations:

We note that Doddamma and Muniyamma i.e., wife and daughter of Bachegowda were not made parties to the registered partition deed dated 8 May 1972. We have been informed by the Representatives that no release / settlement deed were executed by them in favour of B. Venkataramanappa, releasing their right, title and interest in Survey No. 66. Considering that a registered partition was already effected; no claims appear to have been raised by Muniyamma seeking any share; and that all the surviving legal heirs of Bachegowda will be joining in the execution of the transaction documents, and Dodamma and Muniyamma do not appear to have any other legal heirs, this does not appear to be a material issue.

- (e) By way of loan bond dated 22 September 1972 (registered as document No. 2773/1972-72 of Book-I, Volume No. 1167, at pages 177, in the office of the Sub-Registrar, Hoskote), Munegowda mortgaged land in Survey No. 66 measuring 2 Acres 12 Guntas to Doddagattinabbe Co-Operative Society.

Observation:

We have not been provided with documents evidencing discharge of the above mortgage vide loan bond dated 22 September 1972. We have proceeded on the basis that such mortgage no longer subsists considering the antiquity of the mortgage.

- (f) The death certificate dated 10 September 1995, issued by the Chief Registrar of Births and Deaths records that B. Venkataramanappa expired on 4 September 1995.
- (g) As there were certain inconsistencies in the registered partition deed dated 8 May 1972, the said partition deed was cancelled, vide cancellation to the partition deed dated 12 December 1997, (registered as document No. 1765/1997-98, of Book I, Volume No. 2199, at pages 109 to 110 in the office of the Sub-Registrar, Hoskote) executed by and between Munegowda, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda and V. Narayan.

Observations:

The said registered cancellation to the partition deed dated 12 December 1997 does not record the details of the survey numbers and the schedule of the properties. However, considering that the cancellation deed records that it is in relation to the registered partition deed dated 8 May 1972, we have proceeded on the basis that it relates only to the properties recorded in the partition deed.

- (h) Thereafter on the same day as that of the registered cancellation to the partition deed dated 12 December 1997 (as discussed above) vide the partition deed dated 12 December 1997, (registered as document No. 1766/1997-98 of Book I, Volume No. 2159, at pages 164 to 182 in the office of the Sub-Registrar, Hoskote) the children of Late B. Venkataramanappa, namely (i) Yashodamma, (ii) Munegowda, (iii) Vijayamma, (iv) V. Bachegowda, (v) V. Hanumanthagowda (vi) V. Ramegowda, (vii)

V. Nagarathamma, (viii) V. Narayan and (ix) Sumithra. V (Children of Venkataramanappa) partitioned certain joint family properties including Survey No. 66. On review of the said partition deed, we *inter-alia* note that Survey No. 66 was partitioned in the following manner:

- (i) Munegowda, *inter alia* was allotted with a portion of Survey No. 66 measuring 1 Acre 4 Guntas (**Munegowda's Portion**) and recorded in Schedule 'A' of the said partition deed;
- (ii) V. Hanumanthagowda *inter alia* was allotted with a portion of Survey No. 66 measuring 15 Guntas (**Hanumanthagowda's Portion**) and recorded in Schedule 'C' of the said partition deed; and
- (iii) V. Narayan *inter alia* was allotted with a portion of Survey No. 66 measuring 33 Guntas (**Narayan's Portion**) and recorded in Schedule 'E' of the said partition deed.

Observations:

- *We cannot ascertain the boundaries with respect to the respective portions viz., Munegowda's Portion, Hanumanthagowda's portion and Narayan's Portion, as only consolidated boundary has been recorded in the said partition deed dated 12 December 1997.*
- *The said partition deed records that the partition happened in the presence of Chennamma, wife of Late B. Venkataramanappa and she has affixed her signature as one of the 'panchaythidar'. Further, we are provided with the death certificate dated 27 March 2010 issued by the Chief Registrar of Births and Deaths, which records that Chennamma expired on 16 February 2010.*

- (i) We note that the mutation register extract bearing MR No. 2/1997-98 was issued in furtherance of the registered partition deed dated 12 December 1997, *inter alia* recording Munegowda, V. Narayan and V. Hanumanthagowda as the owners / holders of their respective portion (as discussed in the paragraph 5.2(h) of this Report).

Munegowda's Portion

- (j) As discussed in paragraph 5.2(h) of this Report, we note that under the registered partition deed dated 12 December 1997, Munegowda *inter-alia* was allotted with the portion of Survey No. 66 measuring 1 Acre 4 Guntas (*i.e.*, Munegowda's Portion).
- (k) Munegowda *vide* a gift deed dated 7 July 2001 (registered as document No. 1002/2001-02 of Book I, Volume No. 2345, at pages 212 to 214, in the office of the Sub-registrar, Hoskote) gifted *inter alia* Munegowda's Portion to his wife Anjana Gowda.

Observations:

- *We cannot ascertain the boundaries with respect to Survey No. 66/1 measuring 1 Acre 4 Guntas viz., Munegowda's Portion as only the*

consolidated boundary has been recorded in the said gift deed dated 7 July 2001.

- *Further, since Munegowda, was allotted portion of Survey No. 66, under partition deed dated 12 December 1997, such share may be considered to form coparcenary property of his family branch. If that is the case, Munegowda's children, at the time of the execution of gift deed dated 7 July 2001 would also have been entitled to a share / right in Survey No. 66 and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of Munegowda including his children will be joining in the execution of the transaction documents.*

- (l) Based on the aforesaid registered gift deed dated 7 July 2001, the khatha was transferred in the name of Anjana Gowda with respect to portion of Survey No. 66 measuring 1 Acre 4 Guntas *vide* the mutation register extract bearing MR No. 7/2001-02.
- (m) Thereafter, *vide* an unregistered partition deed (*date not legible*), executed between Anjana Gowda and her daughter Ganavi, Munegowda's Portion was allotted to the share of Ganavi.

Observation:

We observe that the partition was effected by way of an unregistered partition deed. Since an immovable property was being transferred between the parties by way of the partition deed and it appears that the value thereof may have been Rs.100/- and upwards, there was a requirement to have the same registered in view of Section 17 of the Registration Act, 1908. In view thereof, the risk of challenges being made to such partition deed or objections being raised as to its admissibility in evidence to prove factum of such partition cannot be ruled out. Notwithstanding, we have been informed by the Representatives that both Anjana Gowda and her daughter Ganavi, will be joining in the execution of the transaction documents.

- (n) Further to the said partition, the khatha for Munegowda's Portion was transferred in the name of Ganavi *vide* the mutation register extract bearing MR No. 5/2003-04. In the said mutation there is reference of the partition document bearing No. 319/2003-04 dated 23 September 2003, basis which khatha was transferred in the name of Ganavi.

Observation:

We are informed that the reference to the partition document bearing No. 319/2003-04 dated 23 September 2003 is a typographical error and it refers to an affidavit submitted basis which the mutation was effected. We have relied on the same since we do not find reference to such registered partition deed in the Encumbrance Certificate issued for the relevant period with respect to Survey No. 66 as well.

- (o) We have been provided with the below family trees issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore with respect to Munegowda's family:

- (i) Family tree dated 1 October 2024 bearing certificate No. RD5019267665025 recording the details of the family members of Munegowda comprising viz., the said Munegowda, his wife, Anjana Gowda, and 2 (two) children, namely Dr. Adarsh Gowda and Ganavi Munegowda.
- (ii) Family tree dated 1 October 2024 bearing certificate No. RD5019267665011 recording the details of the family members of Dr. Adarsh Gowda (i.e., son of Munegowda) comprising viz., the said Dr. Adarsh Gowda, his wife Sharada Gowda and 2 (two) children, namely Adithya Gowda and Haarika. G (both minors).

Hanumanthagowda's Portion

- (p) As discussed in paragraph 5.2(h) of this Report, we note that by way of registered partition deed dated 12 December 1997, Hanumanthagowda *inter-alia* was allotted with portion of Survey No. 66 measuring 15 Guntas (i.e., Hanumanthagowda's Portion).
- (q) Thereafter, under a gift deed dated 7 July 2001 (registered as document No. 1005/2001-02 of Book I, Volume No. 2345, at pages 221 to 223, in the office of the Sub-registrar, Hoskote), the said Hanumanthagowda gifted *inter alia* Hanumanthagowda's Portion to his wife Radha.

Observations:

- *We cannot ascertain the boundaries with respect to such portion of Survey No. 66/1 measuring 15 Guntas viz., Hanumathagowda's Portion as the said gift deed dated 7 July 2001 records only the consolidated boundary.*
- *Further, since Hanumanthagowda, was allotted portion of Survey No. 66, under partition deed dated 12 December 1997, such share may be considered to form coparcenary property of his family branch. If that is the case, Hanumanthagowda's children, at the time of the execution of gift deed dated 7 July 2001 would also have been entitled to a share / right in Survey No. 66 and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of Hanumanthagowda including his children will be joining in the execution of the transaction documents.*

- (r) Based on the aforesaid registered gift deed dated 7 July 2001, the khatha was transferred in the name of Radha with respect to Hanumanthagowda's Portion *vide* the mutation register extract bearing MR No. 10/2001-02.
- (s) Thereafter, *vide* an unregistered partition deed dated (date not clear) September 2003 (year not clear), executed between Radha and her daughter Keerthana, Hanumanthagowda's Portion was allotted to the share of Keerthana.

Observation:

We observe that the partition effected by way of an unregistered partition deed. Since an immovable property was being transferred between the parties by way of the partition deed and it appears that the value thereof may have been Rs.100/- and

upwards, there was a requirement to have the same registered in view of Section 17 of the Registration Act, 1908. In view thereof, the risk of challenges being made to such partition deed or objections being raised as to its admissibility in evidence to prove factum of such partition cannot be ruled out. Notwithstanding, we have been informed by the Representatives that both Radha Hanumanthagowda and Keerthana will be joining in the execution of the transaction documents.

- (t) Further to the said partition deed, the khatha for Hanumanthagowda's Portion was transferred in the name of Keerthana *vide* the mutation register extract bearing MR No. 5/2003-04. In the said mutation there is reference of the partition document bearing No. 319/2003-04 dated 23 September 2003 basis of which khatha was transferred in the name of Keerthana.

Observation:

We are informed that the reference to the partition document bearing No. 319/2003-4 dated 23 September 2003 is a typographical error and it refers to an affidavit submitted basis which the mutation was effected. We have relied on the same since we do not find reference to such registered partition deed in the Encumbrance Certificate issued for the relevant period with respect to Survey No. 66 as well.

- (u) We have been provided with the family tree dated 1 October 2024 bearing certificate No. RD5019267665021 issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore, recording the details of the family members of Hanumanthagowda comprising *viz.*, the said Hanumanthagowda, his wife Radha and 2 (two) children namely, Keerthana Hanumanthagowda and Mithun Siddartha. G.

Narayan's Portion

- (v) As discussed in paragraph 5.2(h) of this Report, we note that by way of registered partition deed dated 12 December 1997, V. Narayan *inter-alia* was allotted with the portion of Survey No. 66 measuring 33 Guntas (*i.e.*, Narayan's Portion).
- (w) Thereafter, under a gift deed dated 7 July 2001 (registered as document No. 1004/2001-02 of Book I, Volume No. 2345, at pages 218 to 220, in the office of the Sub-Registrar, Hoskote) V. Narayan gifted *inter alia* portion of Survey No. 66 measuring 33 Guntas *i.e.* Narayan's Portion in favour of his wife G. Vinutha.

Observations:

- *We cannot ascertain the boundaries with respect to portion of Survey No. 66/1 measuring 33 Guntas viz., Narayan's Portion as only the consolidated boundary has been recorded in the said gift deed dated 7 July 2001.*
- *Further, since V. Narayan, was allotted portion of Survey No. 66, under partition deed dated 12 December 1997, such share may be considered to form coparcenary property of his family branch. If that is the case, V. Narayan's children, at the time of the execution of gift deed dated 7 July 2001 would also have been entitled to a share / right in Survey No. 66 and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of V. Narayan*

including his children will be joining in the execution of the transaction documents.

- (x) Based on the aforesaid registered gift deed dated 7 July 2001, the khatha was transferred in the name of Vinutha with respect to portion of Survey No. 66 measuring 33 Guntas *vide* the mutation register extract bearing MR No. 9/2001-02.
- (y) We have been provided with the below family trees issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore with respect to V. Narayan's family:
- (i) Family tree dated 1 October 2024 bearing certificate No. RD5019267665023 issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore, recording the details of the family members of V. Narayan comprising *viz.*, the said V. Narayan, his wife G. Vinutha and 2 (two) children namely Sahana Narayan and Brijesh Narayan.
- (ii) Family tree dated 1 October 2024, bearing certificate No. RD5019267665017 issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore, recording the details of the family members of Brijesh Narayan and recording that Brijesh Narayan is married to Megha Murali.
- (z) During the time period between the execution of the gift deeds dated 7 July 2001 (*more fully discussed at paragraphs 5.2(k), 5.2(q) and 5.2(w) of this Report*) and execution of the unregistered partition deeds in the year 2003 (*more fully discussed at paragraphs 5.2(m) and 5.2(s) of this Report*), we note that Survey No. 66 was phodied into Survey No. 66/1, Survey No. 66/2 and Survey No. 66/3 as can be noted from the Hissa Survey Tippani dated 21 January 2003, which *inter-alia* record the following:
- (i) Anjana Gowda is recorded as the holder of 1 Acre 4 Guntas (including 1 Gunta of Kharab) in relation to Survey No. 66/1;
- (ii) Vinutha is recorded as the holder of 33 Guntas in relation to Survey No. 66/2; and
- (iii) Radha Hanumanthagowda is recorded as the holder of 15 Guntas in relation to Survey No. 66/3.

Observations:

*We note that the mutation register extract bearing MR No. 5/2003-04 and the RTC extracts issued for the period 2002-03 to 2015-16 (as discussed below in revenue records section of this Report) do not record the phodied survey numbers in Survey No. 66. On seeking clarification, we have been informed by the Representatives that the revenue records were not updated by the authorities to reflect the phodied portions in Survey No. 66. However, we have been provided with MR No. T5/2012-13, which reflects the mutation recording the phodi in Survey No. 66 as Survey Nos. 66/1, 66/2 and 66/3 *vide* order dated 10 January 2013 bearing TQMPR 265/2002-03 passed by the ADLR was rejected. Considering that (a) Land 1 (defined below) has been converted and (b) MR Nos. T21/2024-25, T25/2024-25 and T22/2024-25 were issued with respect to conversion of phodied portions in Survey No.*

66 i.e., Survey Nos. 66/1, 66/2 and 66/3, non-sighting of the ADLR order dated 10 January 2013 is not material since it appears that the phodi of Survey No. 66 has been recognised in the (a) revenue records as noted from MR Nos. T21/2024-25, T25/2024-25 and T22/2024-25 and (b) survey records as noted from the Hissa Survey Tippani dated 21 January 2003 (as referred to in paragraph 5.4(c) below) and the sketch of the Project Land issued by the ADLR.

- (aa) On combined review of the RTC extracts issued for the period 2016-17 to 2024-25 with respect to Survey No. 66, we note that the column No. 9 records (i) Ganavi as the holder for an extent of 1 Acre 3 ½ Guntas, (ii) G. Vinutha as the holder for an extent of 32 ¼ Guntas and (iii) Keerthana as the holder for an extent of 14 ¼ Guntas.

Observations:

We note that (a) Ganavi acquired title to 1 Acre 3 Guntas in Survey No. 66 under unregistered partition deed (as referred to in paragraph no. 5.2(k) above) (b) G. Vinutha acquired title to 33 Guntas in Survey No. 66 under gift deed dated 7 July 2001 (as referred to in paragraph 5.2(w) above) and (c) Keerthana acquired title to 15 Guntas under unregistered partition deed (as referred to in paragraph 5.2(s) above). We also note from the Akarband extract and the Hissa Survey Tippani that the 1 Gunta 'A' Kharab in Survey No. 66 has been associated with the portion held by Ganavi.

Accordingly, Ganavi, Vinutha and Keerthana acquired title to 2 Acres 12 Guntas (including 1 Gunta 'A' Kharab) in Survey No. 66, however, Column No. 9 of the RTC extracts for the period 2016-17 to 2024-25 record discrepancy of 1 Gunta across the individual extents held by Ganavi, Vinutha and Keerthana. Further, applications have been made and conversion orders (5.2(bb) below) have been obtained against the extents recorded in the RTC extracts. We have not been provided with any documents to ascertain the reason for the revision in extents. However, given that the entire extent in Survey No. 66 forms part of the Proposed Transaction, we do not see the extent discrepancy reflected in the RTC extracts as a concern.

- (bb) In the aforesaid manner the below individuals became the owners/ holders of their respective portions and are collectively referred to as 'Land 1':
- (i) Ganavi became the owner / holder of Survey No. 66/1 measuring 1 Acre 4 Guntas;
 - (ii) Vinutha became the owner / holder of Survey No. 66/2 measuring 33 Guntas; and
 - (iii) Keerthana became the owner / holder of Survey No. 66/3 measuring 15 Guntas.
- (cc) On applications made by (a) Ganavi; (b) Vinutha; and (c) Keerthana for conversion of Land 1, the Deputy Commissioner, Bangalore Rural District on payment of requisite conversion fines, permitted conversion of Land 1 from agricultural to group housing/apartment-residential purpose vide the below official memoranda:

Sl. No.	Survey No.	Extent		Details of the official memorandum
		Acre	Guntas	
1.	Survey No. 66/1	1	3 ½	Official memorandum dated 6 March 2025 bearing No. 749831 issued further to the application made by Ganavi
2.	Survey No. 66/2	-	32 ¾	Official memorandum dated 15 March 2025 bearing No. 750829 issued further to application made by Vinutha.
3.	Survey No. 66/3	-	14 ¾	Official memorandum dated 6 March 2025 bearing No. 749836 issued further to application made by Keerthana.
Total		2	11	

Observation:

We note that 1 Gunta 'A' Kharab associated with Survey No. 66/1 has not been converted. Given this, the 1 Gunta 'A' Kharab in Survey No. 66/1 will need to be separately accounted for and excluded prior to undertaking any development.

- (dd) Thereafter, the below mutation register extracts were issued recording the conversion of Land 1:

Sl. No.	Survey Number	Holder	Mutation register extract
1.	66/1	Ganavi	MR No. T21/2024-25
2.	66/2	G. Vinutha	MR No. T25/2024-25
3.	66/3	Keerthana	MR No. T22/2024-25

5.3 RTC Extracts

We have been provided with the following RTC extracts and endorsements with respect to Survey No. 66 measuring 2 Acres 11 Guntas excluding 1 Gunta of Kharab:

We also note that the name of Venkataramanappa, son of Bachegowda is recorded as the erstwhile holder in Column No. 9.

Observation:

We have been provided with an endorsement dated 24 July 2024 bearing No. RK/CR/___/2024-25 issued by the Tahsildar, Hoskote Taluk, which records that RTC extracts issued for the period 1968 to 1984 with respect to Survey No. 66 are mutilated and hence cannot be issued.

- (b) RTC extract issued for the period 1989-90 to 1996-97 records Munegowda as the holder in column No. 9, having acquired the same *vide* partition as noted in Column No. 10.

We also note that the names of (i) Munegowda as the holder for an extent of 1 Acre 4 Guntas, (ii) V. Narayana, as the holder for an extent of 33 Guntas and (iii) V. Hanumanthagowda as the holder for an extent of 15 Guntas came to be deleted as noted in Column No. 9.

- (d) RTC extract issued for the period 2002-03 and 2003-04 records (i) Anjana Gowda as the holder for an extent of 1 Acre 4 Guntas in Column No. 9, in terms of MR No. 7/2001-02 as noted in Column No. 10; (ii) G. Observation:

We have not been provided with RTC extracts for the period 2001-02, however, considering the RTC issued for the subsequent year 2002-03 records the names of the family members of B. Venkataramanappa, it does not appear to be the case that any adverse entries recording names of parties other than the family members of B. Venkataramanappa were made in the RTC extracts for the period 2001-02.

- (e) RTC extracts issued for the period 2004-05, 2006-07 to 2015-16 records (i) Ganavi, daughter of Munegowda as the holder for an extent of 1 Acre 4 Guntas in Column No. 9 in terms of MR No. 5/2003-04 as noted in Column No. 10; (ii) Keerthana, daughter of V. Vinutha as the holder for an extent of 33 Guntas in Column No. 9 in terms of MR No. 9/2001-02 in Column No. 10, with respect to Survey No. 66.

Observation:

We have not been provided with RTC extracts for the period 2005-06, however, considering the RTC issued for the subsequent year of 2006-07 has the same noting as that of 2004-05, it does not appear to be the case that any adverse entries were made in the RTC extracts for the period 2005-06.

- (f) RTC extracts issued for the period 2016-17 to 2024-25 records (i) G. Observation:

- *The said Encumbrance Certificate does not record the cancellation to the partition deed dated 12 December 1997 registered as document No. 1765/1997. However, considering that the cancellation deed did not record*

the details of the lands, it is unlikely that the Encumbrance Certificate will record the above cancellation deed.

- *We have been provided with additional Encumbrance Certificate covering aforesaid period, which we have not relied upon considering that the same do not reflect all the registered transactions. However, we note reference to following additional transactions:*

6.2 Title Flow

- (a) Based on the review of the documents provided to us, we note that land bearing Survey No. 77 measuring 14 Guntas with no Kharab comprised thereunder hereinafter referred to as 'Survey No. 77' is coming within the limits of Sarkari Guttahalli Village, Kasaba Hobli, Hosakote Taluk, Bangalore Rural District.
- (b) As mentioned in paragraph 6.3(a) below, the RTC extracts issued for the period 1979-80 to 1983-84 records the name of B. Venkataramanappa as the holder of the land in Survey No. 77 measuring 14 Guntas in Column No. 9 having acquired by way of 'durasti' in Column No. 10. Further, Column No. 11 refers to a hukkm bearing No. ASLR.DPR.'B'.13/1978-79.

Observation:

We have not been provided with any title documents in terms of which B. Venkataramanappa acquired right, title and interest with respect to Survey No. 77. The earliest record which identifies B. Venkataramanappa as the holder of Survey No. 77 is the aforesaid RTC extracts issued for the period 1979-80 to 1983-84 which record the following:

- B. Venkataramanappa was the holder of the land in Survey No. 77 having acquired rights to the land under a durasti viz., restoration/incorporation or correction of or insertion of lands details in survey records.*
- Column No. 11 of the RTC extracts refer to an order bearing No. ASLR.DPR.'B'.13/1978-79 passed, whereby a portion of the land in Survey No. 34 and Survey No. 36 was assigned with new Survey No. 77.*

We have not been provided with copy of the above orders to identify which portion of the land in Survey Nos. 34 and 36 was assigned with Survey No. 77. On review of the Hissa Survey Tippani dated 25 May 1942 (as referred to in paragraph 8.4(c) below), we note that Survey No. 36 admeasures 5 Acres 24 Guntas. Given that the

entire extent in Survey No. 36¹ forms part of the Project Land, Survey No. 77 could not have been carved out of Survey No. 36. However, considering that (a) the sketch issued by the ADLR makes note of the presence of the Survey Nos. 77/1, 77/2 and 77/3 measuring 14 Guntas which aligns with the extent recorded in the title, revenue and survey documents shared with us; and (b) the non-availability of the above order passed in ASLR.DPR. 'B'.13/1978-79, we have proceeded on the basis of the extent and sub-division recorded in the sketch prepared by the ADLR as the correct extent.

We have been informed by the Representatives that revenue records including the Index of Land Register and Record of Rights register extract with respect to Survey No. 77 are not available. We have therefore proceeded on the basis that B. Venkataramanappa by virtue of being in possession of the land at the time of durasti was identified as the holder of this land. However, in the absence of the title documents establishing B. Venkataramanappa, we are unable to comment on the nature of his possession or title to these lands.

- (c) The death certificate dated 10 September 1995, issued by the Chief Registrar of Births and Deaths records that B. Venkataramanappa expired on 4 September 1995.
- (d) The affidavit dated 3 October 2024 sworn by V. Bachegowda, son of Venkataramanappa, before the Notary Public records the details of the family members of his grandfather, Late. Bachegowda as detailed below:
- (i) Bachegowda (deceased) and his wife, Doddamma (deceased) had 2 (two) children namely B. Venkataramanappa (deceased) and Muniyamma (deceased).
- (ii) The said Venkataramanappa was married to Chennamma (deceased), and they have 9 (nine) children namely Yashodamma (deceased), Munegowda, V. Vijayamma, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda, V. Nagarathna, V. Narayan and V. Sumitra.

Observations:

We have been informed by the Representatives that the death certificates of Bachegowda, Doddamma, Muniyamma and Yashodamma; and family tree recording the names of members of Muniyamma's family is not available. Accordingly, we have for the purpose of this Report proceeded on the basis that the persons identified as surviving are the only legal heirs of late Bachegowda or any of his deceased legal heirs.

- (e) Thereafter *vide* partition deed dated 12 December 1997, (registered as document No. 1766/1997-98 of Book I, Volume No. 2159, at pages 164 to 182 in the office of the Sub-Registrar, Hoskote), the children of Late B. Venkataramanappa, namely (i) Yashodamma, (ii) Munegowda, (iii) Vijayamma, (iv) V. Bachegowda, (v) V. Hanumanthagowda (vi) V. Ramegowda, (vii) V. Nagarathnamma, (viii) V. Narayan and (ix) Sumithra. V (**Children of Venkataramanappa**) partitioned family properties

¹ Survey No. 36 measuring 5 acres 24 guntas is comprised of Survey Nos. 36/1, 36/2, 36/3, 36/4, 36/5, 36/6, 36/7, 36/8 and 36/9.

including Survey No. 77. On review of the said partition deed, we *inter-alia* note that Survey No. 77 was partitioned in the following manner:

- (i) V. Bachegowda *inter alia* was allotted with a portion of Survey No. 77 measuring 11 Guntas (**Bachegowda's Portion**) as recorded in Schedule 'B' of the said partition deed; and
- (ii) Ramegowda *inter alia* was allotted with a portion of Survey No. 77 measuring 3 Guntas (**Ramegowda's Portion**) as recorded in Schedule 'D' of the said partition deed.

Observations:

- *We cannot ascertain the boundaries with respect to the portions viz., Bachegowda's Portion and Ramegowda's portion, as only consolidated boundary has been recorded in the said partition deed dated 12 December 1997 viz., for portions of Survey No. 36/2, 36/3, 36/4, 68/1, 68/2 and 77/1.*
- *The said partition deed records that the partition happened in the presence of Chennamma, wife of Late B. Venkataramanappa and she has affixed her signature as one of the 'panchaythidar'. Further, we are provided with the death certificate dated 27 March 2010 issued by the Chief Registrar of Births and Deaths, which records that Chennamma expired on 16 February 2010.*

- (f) Mutation register extract bearing MR No. 2/1997-98 was issued in furtherance to the registered partition deed dated 12 December 1997 *inter alia* recording Bachegowda and Ramegowda as the holders of their respective portions (as discussed above).

Bachegowda's Portion

- (g) As discussed in paragraph 6.2(e) of this Report, we note that under the registered partition deed dated 12 December 1997, Bachegowda *inter alia* was allotted portion of Survey No. 77 measuring 11 Guntas (*i.e.*, Bachegowda's Portion).
- (h) Thereafter, under a gift deed dated 7 July 2001 (registered as document No. 1006/2001-02 of Book I, Volume No. 2345, at pages 224 to 226, in the office of the Sub-Registrar, Hoskote) the said Bachegowda gifted *inter alia* Bachegowda's Portion to his wife Rukmini.

Observations:

- *We cannot ascertain the boundaries with respect to such portion of Survey No. 77 measuring 11 Guntas viz., Bachegowda's Portion as only the consolidated boundary has been recorded in the said gift deed dated 7 July 2001.*
- *Further, since Bachegowda, was allotted portion of Survey No. 77, under partition deed dated 12 December 1997, such share may be considered to form coparcenary property of his family branch. If that is the case, Bachegowda's children, at the time of the execution of gift deed dated 7 July*

2001 would also have been entitled to a share / right in Survey No. 77 and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of Bachegowda including his children will be joining in the execution of the transaction documents.

- (i) Based on the aforesaid registered gift deed dated 7 July 2001, the khatha was transferred in the name of Rukmini with respect to portion of Survey No. 77 measuring 11 Guntas vide the mutation register extract bearing MR No. 11/2001-02
- (j) By way of unregistered partition deed dated 18 September 2003, executed between Rukmini and her son, Rohit Bachegowda, portion of Survey No. 77 measuring 5 Guntas was allotted to Rohit.

Observation:

We observe that the partition effected by way of an unregistered partition deed. Since an immovable property was being transferred between the parties by way of the partition deed and it appears that the value thereof may have been Rs.100/- and upwards, there was a requirement to have the same registered in view of Section 17 of the Registration Act, 1908. In view thereof, the risk of challenges being made to such partition deed or objections being raised as to its admissibility in evidence to prove factum of such partition cannot be ruled out. Notwithstanding, we have been informed by the Representatives that both Rukmini and her son, Rohit will be joining in the execution of the transaction documents.

- (k) By way of unregistered partition deed dated 18 September 2003, executed between Rukmini and her daughter, Preethi, portion of Survey No. 77 measuring 6 Guntas was allotted to Preethi.

Observation:

We observe that the partition effected by way of an unregistered partition deed. In view thereof, the risk of challenges being made to such partition deed or objections being raised as to its admissibility in evidence to prove factum of such partition cannot be ruled out. Notwithstanding, we have been informed by the Representatives that both Rukmini and her daughter, Preethi will be joining in the execution of the transaction documents.

- (l) Further to the said partition, the khatha for Bachegowda's Portion was transferred in the names of (i) Preethi with respect to 6 Guntas in Survey No. 77 and (ii) Rohit with respect to 5 Guntas in Survey No. 77 vide the mutation register extract bearing MR No. 5/2003-04.
- (m) We have been provided with the family tree dated 19 December 2023 bearing certificate No. RD0038569282747 issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore, recording the details of the family members of V. Bachegowda

comprising viz., the said Bachegowda, his wife, Rukmini and they have 3 (three) children namely (i) Rupashree, (ii) Rohit (recorded as married to Ranjitha, and they have two minor children Bhargava and Charvi) and (iii) Preethi. V.

Ramegowda's Portion

- (n) As discussed in paragraph 6.2(e) of this Report, we note that under the registered partition deed dated 12 December 1997, Ramegowda *inter alia* was allotted portion of Survey No. 77 measuring 3 Guntas (*i.e.*, Ramegowda's Portion).
- (o) Thereafter, under a gift deed dated 7 July 2001 (registered as document No. 1003/2001-02 of Book I, Volume No. 2345, at pages 215 to 217, in the office of the Sub-Registrar, Hoskote) the said Ramegowda gifted *inter alia* Ramegowda's Portion to his wife Radha.

Observations:

- *We cannot ascertain the boundaries with respect to such portion of Survey No. 77 measuring 3 Guntas viz., Ramegowda's Portion as only the consolidated boundary has been recorded in the said gift deed dated 7 July 2001.*
- *Further, since Ramegowda, was allotted portion of Survey No. 77, under partition deed dated 12 December 1997, such share may be considered to form coparcenary property of his family branch. If that is the case, Ramegowda's children, at the time of the execution of gift deed dated 7 July 2001 would also have been entitled to a share / right in Survey No. 77 and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of Ramegowda including his children will be joining in the execution of the transaction documents.*

- (p) Based on the aforesaid registered gift deed dated 7 July 2001, the khatha was transferred in the name of Radha with respect to portion of Ramegowda's Portion *vide* the mutation register extract bearing MR No. 8/2001-02.
- (q) Further, *vide* an unregistered partition deed dated 22 September 2003 (*year not clear*), made between Radha and her daughter Vatsala, Radha allotted portion of Survey No. 77 measuring 3 Guntas in favour of her daughter Vatsala.

Observation:

We observe that the partition effected by way of an unregistered partition deed. Since an immovable property was being transferred between the parties by way of the partition deed and it appears that the value thereof may have been Rs.100/- and upwards, there was a requirement to have the same registered in view of Section 17 of the Registration Act, 1908. In view thereof, the risk of challenges being made to such partition deed or objections being raised as to its admissibility in evidence to prove factum of such partition cannot be ruled out. Notwithstanding, we have been informed by the Representatives that both Radha and her daughter Vatsala, will be joining in the execution of the transaction documents.

- (r) The khatha was transferred in the name of Vatsala for a portion of Survey No. 77 measuring 3 Guntas *vide* the mutation register extract bearing MR No. 5/2003-04. In the said mutation there is reference to the partition document bearing No. 319/2003-04 dated 23 September 2003, basis which khatha was transferred in the name of R. Vatsala.

Observation:

We are informed that the reference to the partition document bearing No. 319/2003-04 dated 23 September 2003 is a typographical error and it refers to an affidavit submitted basis which the mutation was effected. We have relied on the same since we do not find reference to such registered partition deed in the Encumbrance Certificate issued for the relevant period with respect to Survey No. 77. We have been informed by the Representatives that Radha, wife of Ramegowda and Vatsala will be joining in the execution of the transaction documents and hence considering that there is no partition, non-sighting of the document bearing No. 319/2003-04 is not material.

- (s) We have been provided with the family tree dated 12 September 2024 bearing certificate No. RD0038569285823 issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore, recording the details of the family members of V. Ramegowda comprising *viz.*, the said Ramegowda, his wife Radha and they have 2 (two) children namely Rakshith. R (*who is married to one, Rajshree*) and R. Vatsala.
- (t) We have been provided with family tree dated 30 January 2025 bearing certificate No. RD5019267671327 issued by the Deputy Tahsildar, recording the details of the family members of M. Srinivas (husband of R. Vatsala) *viz.*, the said Santosh, his wife Vatsala and son, Chayan Santosh.

6.3 RTC Extracts

We have been provided with the following RTC extracts:

(a) Survey No. 77 measuring 14 Guntas:

- (i) RTC extract issued for the period 1979-80 to 1993-94 records the name of Venkataramanappa as the holder in Column No. 9 having acquired by way of durasti in Column No. 10 and Column No. 11 records refers to the hukkm bearing No. ASLR.DPR.'B'.13/1978-79.

Observation:

We note that RTC extracts issued for the period 1979-80 to 1983-84 records one Chikkamuniga as the cultivator in column No. 12. We have not received any clarification or documents from the Representatives establishing right/ interest in the name of the Chikkamuniga and his name does not otherwise appear in the title flow for Survey No. 77. Therefore, considering long passage of time, peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority by Chikkamuniga, we have proceeded on the basis that the said Chikkamuniga had no right, title or interest in respect of Survey No. 77.

- (ii) RTC extract issued for the period 1997-98 to 2000-01 records B. Venkataramanappa as the erstwhile holder, thereafter V. Bachegowda as the erstwhile holder and further V. Observation:

We have not been provided with RTC extracts for the period 1994-95 to 1996-97, however, considering the RTC issued for the subsequent year i.e., 1997-98 records the name of Munegowda and deletion of B. Venkataramanappa's name as the holder, it does not appear to be the case that names of any third parties were recorded in the RTC extracts for the period 1994-95 to 1996-97.

- (iii) RTC extract issued for the period 2001-02 to 2003-04 records Radha Ramegowda as the holder (for an extent of 3 Guntas) in Column No. 9 as per MR 8/2001-02 in Column No. 10 and Rukmini as the holder (for an extent of 11 Guntas) in Column No. 9 and as per MR. 11/2001-02 in Column No. 10.

7.2 Title Flow

- (a) Based on the review of the documents provided to us, we note that the land in Survey No. 67 measuring 3 Acres 31 Guntas with no Kharab hereinafter referred to as 'Survey No. 67' is coming within the limits of Sarkari Guttahalli Village, Kasaba Hobli, Hosakote Taluk, Bangalore Rural District.
- (b) The Moola Tippani [date not mentioned](as discussed in paragraph 7.4 of this Report) records the name of one Allaliga, son of Guruva as the 'kardadar' of Survey No. 67. However, there are no documents to record the manner in which the said Allaliga acquired title to Survey No. 67.
- (c) Thereafter it appears that Munishami was recorded as the title holder of Survey No. 67. However, there is no document available to ascertain the manner in which Munishami acquired title to a portion of Survey No. 67/2 measuring 2 Acres 25 Guntas or the entire extent in Survey No. 67 from the erstwhile holder, Allaliga. It appears that Munishami held the land from or even prior to 1930 considering that we have been provided with mortgage deed dated 6 June 1930 and registered as document No. 1812/1930-31, Book-I, Volume No. 384 at pages Nos. 254 to 257, whereby the said Munishami, son of Neeraganti Munishami mortgaged a portion of Survey No. 67/2 measuring 2 Acres 25 Guntas to Baiamma, wife of Yengantaiah.

Observation:

- *We have not been provided with documents evidencing discharge of the above mortgage deed dated 26 April 1930. We have assumed that such mortgage no longer subsists and have proceeded on the basis that the aforesaid mortgage would have been discharged considering its antiquity.*
- *It appears that Munishami held the land from or even prior to 1930 and we have traced title therefrom, and since there have been no claims from Allaliga or anyone claiming under him, non-availability of documents evidencing the manner in which Munishami acquired title does not appear to be material presently.*
- *Further, it appears from the sale deed dated 26 February 1937 morefully discussed at paragraph 7.2(f) below that Munishami belonged to Adi Dravida caste. However, in the absence of any documents to evidence that lands in Survey No. 67 were granted in favor of Munishami, we have for the purpose of this report proceeded on the basis that these were his absolute property and not subject to any terms / conditions.*

- (d) Thereafter, it appears the sons of Munishami namely, Doddamariga, Chikkamariga and Venkataramanappa have been allotted with portions of Survey No. 67 and have accordingly dealt with their respective portions as discussed below in this Report.
- (i) Doddamariga appears to have been allotted with an extent of 1 Acre 13 Guntas (**Doddamariga's Portion**);
- (ii) Chikkamariga appears to have been allotted with an extent of 1 Acre 6.5 Guntas (**Chikkamariga's Portion**);
- (iii) Venkataramanappa appears to have been allotted with an extent of 1 Acre 6.5 Guntas (**Venkataramanappa's Portion**).

Observations:

We been informed by the Representatives that the documents in terms of which Allaliga acquired right, title and interest with respect to Survey No. 67, the manner in which it devolved onto Munishami, death certificate of Munishami and his family tree, the Index of Land register, or the Record of Rights Register extract with respect to Survey No. 67 are not available. Given the antiquity of these documents and transactions, for the purposes of this Report, we have considered the good root of title with respect to Survey No. 67 to be the sale deed dated 26 February 1937 noted below.

Doddamariga's Portion

- (e) On review of the record of rights register extract bearing RR No. 95, we note that Doddamariga, son of Munishami is recorded as the owner of Survey No. 67/2 and the said land being identified as his ancestral property.
- (f) Under a sale deed dated 26 February 1937 (registered as document No. 1281/1936-37, Book-I in Volume No. 461 at pages 143 to 145 in the office of the Sub-Registrar,

Hoskote), the said Doddamariga, son of Adi Dravida Neeraganti Munishami, conveyed a portion of Doddamariga's Portion measuring 23 Guntas (out of 1 Acre 13 Guntas) to his brother, Chikkamariga.

- (g) Thereafter, the said Doddamariga along with his father Munishami, under a sale deed dated 26 October 1940 (registered as document No. 797/1940-41, Book-I in Volume No. 519 at pages 216 to 218, in the office of the Sub-registrar, Hoskote), conveyed Doddamariga's Portion (*i.e.*, Survey No. 67 measuring 1 Acre 13 Guntas) to Munivenkatappa and his son Thimmappa.

Observation:

- *The aforesaid sale deed records that Doddamariga's Portion was bounded as below:*

<i>East by</i>	<i>:</i>	<i>Remaining portion of land in Survey No. 67 belonging to Chikkamariga;</i>
<i>West by</i>	<i>:</i>	<i>Bachegowda's land;</i>
<i>North by</i>	<i>:</i>	<i>Sarkari Bandi road; and</i>
<i>South by</i>	<i>:</i>	<i>Pundalenu's land.</i>

- *Chikkamariga and Venkataramanappa, both brothers of Doddamariga have joined in the execution of the said sale deed as witnesses. Therefore, it appears that post the execution of the sale deed dated 26 February 1937 morefully discussed at paragraph (f) above, the sons of Munishami may have orally resettled their properties wherein the 23 Guntas sold to Chikkamariga has been reconveyed to Doddamariga.*

- (h) As gathered from the Hissa Survey Tippany extract dated 22 May 1942 recording the bifurcation of Survey No. 67 into Survey Nos. 67/1 and 67/2 (discussed in the survey section of this Report), we note that Doddamariga was recorded as the holder of Survey No. 67/2 measuring 1 Acre 18 Guntas (Survey No. 67/2).

Observations:

While we do not have clarity on the manner in which Doddamariga's family acquired title to the balance 5 Guntas in Survey No. 67, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority against Doddamariga or his legal heirs, for the purposes of this Report, we have proceeded on the basis that Doddamariga was vested with the ownership, right, title and interest to entire Survey No. 67/2 measuring 1 Acre 18 Guntas without claims from any other person.

- (i) By sale deed dated 22 September 1951 (registered as document No.1981/1951-52, Book-I in Volume No.740 at pages 23 to 24 in the office of the Sub-registrar, Hoskote), Thimmappa re-conveyed Doddamariga's Portion (*there still recorded as 1 Acre 13 Guntas instead of 1 Acre 18 Guntas*) to Doddamariga.

Observation:

- *The aforesaid sale deed records Doddamariga's Portion was bounded as below:*

<i>East by</i>	<i>:</i>	<i>Chikkamariga's land;</i>
<i>West by</i>	<i>:</i>	<i>Bachegowda's land;</i>
<i>North by</i>	<i>:</i>	<i>Government road; and</i>
<i>South by</i>	<i>:</i>	<i>Pundalenu's land.</i>

- *While both Munivenkatappa and Thimmappa had purchased Doddamariga's Portion, Thimmappa alone has reconveyed Doddamariga's Portion to Doddamariga. The Representatives have informed us that Munivenkatappa was not alive at the time of execution of the said sale deed. However, we have not been provided with death certificate of Munivenkatappa or genealogical tree to ascertain if there are any other legal heirs of Munivenkatappa who might have had claims to the land in the event of his death. However, given the antiquity of these documents and transactions and there being no claims raised by Munivenktappa or his legal heirs, for the purpose of this report we have proceeded on the basis that Munivenkatappa was not alive at the time of execution of the sale deed and Thimmappa was his only legal heir.*

- (j) Thereafter, under a sale deed dated 26 September 1951 (registered as document No. 1996/1951-52, Book-I in Volume No.740 at pages 30 to 31 in the office of the Sub-Registrar, Hoskote), the said Doddamariga along with his children namely Muniya alias Allaliga and Mariga alias Chowda sold Doddamariga's Portion (*there still recorded as 1 Acre 13 Guntas instead of 1 Acre 18 Guntas*) to M. Chikka Muniyappa.

Observation:

The aforesaid sale deed record the Doddamariga's Portion was bounded as below:

<i>East by</i>	<i>:</i>	<i>Chikkamariga's land;</i>
<i>West by</i>	<i>:</i>	<i>Bachegowda's land;</i>
<i>North by</i>	<i>:</i>	<i>Government cart road; and</i>
<i>South by</i>	<i>:</i>	<i>Pundalenu's land.</i>

- (k) By sale deed dated 11 September 1952 (registered as document No.1853/1952-53, Book-I in Volume No.760 at pages 62 to 63 in the office of the Sub-Registrar, Hoskote), M. Chikka Muniyappa sold Doddamariga's Portion (*there recorded as 1 Acre 13 Guntas instead of 1 Acre 18 Guntas*) to Venkataramanappa, son of Bachegowda.

Chikkamariga's Portion:

- (l) As gathered from the Hissa Survey Tippani extract dated 22 May 1942 recording the bifurcation of Survey No. 67 as Survey Nos. 67/1 and 67/2 (discussed in paragraph 7.4 below), we note that Chikkamariga was recorded as the holder of Survey No. 67/1 measuring 2 Acres 13 Guntas (i.e., Survey No. 67/1).

Observations:

Considering the sale deed dated 28 June 1951 registered as document No. 1824/1951-52 (as referred to in paragraph 7.2(n) below), it appears that Chikkamariga's name was recorded as holder of 2 Acres 13 Guntas in Survey No. 67/1, however his ownership/title will be limited to the extent of 1 Acres 6 ½ Guntas and for the remaining extent his name was recorded in the representative capacity for his brother Venkataramanappa.

- (m) We have been provided with a record of rights extract bearing RR No. 94 which records the name of Chikkamariga as the holder of Survey No. 67/1 and that the said land was his ancestral property.
- (n) Under a sale deed dated 28 June 1951 (registered as document No.1824/1951-52, Book-I in Volume No.727 at pages 215 to 217 in the office of the Sub-Registrar, Hoskote), the said Chikkamariga conveyed a portion of Survey No. 67/1 measuring 1 Acre 6 ½ Guntas (out of 2 Acres 13 Guntas) to Narayanappa, son of Mareppa.

Observation:

The aforesaid sale deed records the portion of Survey No. 67/1 measuring 1 Acre 6 ½ Guntas bounded as below:

<i>East by</i>	<i>:</i>	<i>Remaining portion of the land in Survey No. 67 (belonging to Vendor's brother Venkataramanappa);</i>
<i>West by</i>	<i>:</i>	<i>Hoskote Thimappa's land;</i>
<i>North by</i>	<i>:</i>	<i>Government on²; and</i>
<i>South by</i>	<i>:</i>	<i>Munappa and Pundalenu's land.</i>

- (o) Thereafter, under a sale deed dated 18 January 1954 (registered as document No.3689/1954-55, Book-I in Volume No.796 at pages 111 to 112 in the office of the Sub-Registrar, Hoskote), the said Narayanappa conveyed a portion of Survey No. 67/1 measuring 1 Acre 6 ½ Guntas (out of 2 Acres 13 Guntas) to Poojamma wife of Chikkamarappa.
- (p) Subsequently, under a sale deed dated 30 August 1968 (registered as document No. 2251/1968-69, Book-I in Volume No. 1226 at pages 37 and 38 in the office of the Sub-registrar, Hoskote), the said Poojamma conveyed a portion of Survey No. 67/1 measuring 1 Acre 6 ½ Guntas to Munegowda, son of Venkataramanappa.

² Alley/lane/street.

Venkataramanappa' s Portion:

- (q) Under a sale deed dated 22 August 1952 (registered as document No. 1630/1952-53 Book-I in Volume No.756 at pages 235 to 236 in the office of the Sub-Registrar, Hoskote), the said Venkataramanappa (*i.e.*, son of Munishami) conveyed a portion of Survey No. 67/1 measuring 1 Acre 6 ½ Guntas *viz.*, Venkataramanappa's Portion to Venkataramanappa, son of Bachegowda.

Observations:

- *As mentioned above, Venkataramanappa, son of Munishami was title holder of the said land i.e., 1 Acre 6 ½ Guntas in Survey No. 67, though the revenue and survey records reflect only Chikkamariga as the title holder.*
- *The aforesaid sale deed record the portion of Survey No. 67/1 measuring 1 Acre 6 ½ Guntas was bounded as below:*

<i>East by</i>	<i>:</i>	<i>District Board road;</i>
<i>West by</i>	<i>:</i>	<i>Remaining land in Survey No. 67 belonging to Vendor's brother Chikkamariga's land;</i>
<i>North by</i>	<i>:</i>	<i>Doddanaikappa's land; and</i>
<i>South by</i>	<i>:</i>	<i>Kaalenu's land.</i>

Acquisition by Venkataramanappa and his family:

- (r) As gathered from paragraphs 7.2(k), 7.2(p) and 7.2(q) (*discussed above*), we note that:
- (i) Venkataramanappa acquired title to portions of Survey No. 67 and Survey No. 67/1 totally measuring 2 Acres 19 ½ Guntas (*i.e.*, 1 Acre 13 acquired under the registered sale deed dated 11 September 1952 and 1 Acre 6 ½ Guntas acquired under the registered sale deed dated 22 August 1952);
- (ii) Munegowda, son of Venkataramanappa acquired title to a portion of Survey No. 67/1 measuring 1 Acre 6 ½ Guntas (*vide registered sale deed dated 30 August 1968*). We note that the extent of both the sale deeds (i+ii) adds to 3 Acre 26 Guntas.
- (s) Thereafter, it appears that the said Venkataramanappa and his son, Munegowda have contributed their respective portions acquired in Survey No. 67 (which appears to be further bifurcated into Survey No. 67/2 and Survey No. 67/1 totally measuring 3 Acres 26 Guntas) to the joint family pool of Venkataramanappa.

Observations:

We do not have clarity on the manner in which Venkataramanappa or his family members came to acquire right for the balance 5 Guntas which originally formed part of Survey No. 67. That said, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the

land by the successors in title, there being no proceedings initiated before any court of law/authority against Venkataramanappa or his legal heirs, for the purposes of this Report, we have proceeded on the basis that Venkataramanappa was vested with the ownership, right, title and interest to entire Survey No. 67 without claims from any other person.

- (t) On review of the hissa tippany extract dated 5 April 1956 (discussed in the survey section of this Report), we note that Survey No. 67/1 was further bifurcated into Survey No. 67/1A measuring 1 Acre 6 Guntas (Survey No. 67/1A) and the name of Chikkamariga was recorded as the holder and Survey No. 67/1B measuring 1 Acre 7 Guntas and the name of Poojamma was recorded as the holder thereof (Survey No. 67/1B).

Observations:

There is no clarity on the manner in terms of which Chikkamariga was recorded as the holder of 1 Acre 6 Guntas and how Poojamma acquired title to additional ½ Gunta in Survey No. 67/1. However, given that the entire extent in Survey Nos. 67/1A and 67/1B forms part of the Proposed Transaction, the extent discrepancy does not appear to be material presently.

- (u) The affidavit dated 3 October 2024 sworn by V. Bachegowda, son of Venkataramanappa, before the Notary Public records the details of the family members of his grandfather, Late. Bachegowda as detailed below:

- (i) Bachegowda (*deceased*) and his wife, Doddamma (*deceased*) had 2 (two) children namely B. Venkataramanappa (*deceased*) and Muniyamma (*deceased*).
- (ii) The said Venkataramanappa was married to Chennamma (*deceased*), and they have 9 (nine) children namely Yashodamma (*deceased*), Munegowda, V. Vijayamma, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda, V. Nagarathna, V. Narayan and V. Sumitra.

Observations:

We have been informed by the Representatives that the death certificates of Bachegowda, Doddamma, Muniyamma and Yashodamma; and family tree recording the names of members of Muniyamma's family is not available. Accordingly, we have for the purpose of this Report proceeded on the basis that the persons identified as surviving above are the only legal heirs of late Bachegowda or any of his deceased legal heirs.

- (v) Thereafter, under the partition deed dated 8 May 1972 (registered as document No. 588/1972-73, of Book I, Volume No. 1329 at pages 19 to 25 in the office of the sub-registrar, Hoskote) the said B. Venkataramanappa along with his 5 (five) sons namely (i) Munegowda, (ii) V. Bachegowda, (iii) V. Hanumanthagowda, (iv) V. Ramegowda, and (v) V. Narayan (then being minor represented by his father and natural guardian, B. Venkataramanappa) partitioned certain family properties including Survey No. 67/1A (*i.e.*, measuring 1 Acre 6 Guntas), Survey No. 67/1B measuring (*i.e.*, measuring

1 Acre 7 Guntas), and Survey No. 67/2 (i.e., measuring 1 Acre 18 Guntas). In terms of the said partition deed, we note that Munegowda was allotted certain immovable properties including (a) Survey No. 67/1A measuring 1 Acre 6 Guntas, (b) Survey No. 67/1B measuring 1 Acre 7 Guntas, and (c) Survey No. 67/2 measuring 1 Acre 18 Guntas as his share which is also recorded in Schedule 'B' of the said partition deed.

Observations:

We note that Doddamma and Muniyamma i.e., wife and daughter of Bachegowda were not made parties to the registered partition deed dated 8 May 1972. We have been informed by the Representatives that no release / settlement deed were executed by them in favour of B. Venkataramanappa, releasing their right, title and interest in Survey No. 67. Considering that a registered partition was already effected and no claims appears to have been raised by Muniyamma seeking any share, and that all the surviving legal heirs of Bachegowda will be joining in the execution of the transaction documents, and Dodamma and Muniyamma do not appear to have any other legal heirs, this does not appear to be material .

- (w) The (i) death certificate dated 10 September 1995, issued by the Chief Registrar of Births and Deaths records that B. Venkataramanappa expired on 4 September 1995 and (ii) death certificate dated 27 March 2010 issued by the Chief Registrar of Births and Deaths, records that Chennamma, wife of Late B. Venkataramanappa expired on 16 February 2010.
- (x) As there were certain inconsistencies in the registered partition deed dated 8 May 1972 (discussed in paragraph 7.2(v) of this Report), the said partition deed was cancelled vide cancellation to the partition deed dated 12 December 1997 (registered as document No. 1765/1997-98 of Book I, Volume No. 2199, at pages 109 to 110 in the office of the Sub-Registrar, Hoskote) which was executed between the B. Venkataramanappa and his sons namely, Munegowda, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda and V. Narayan.

Observations:

The said registered cancellation to the partition deed dated 12 December 1997 does not record the details of the survey numbers and the schedule of the properties. However, considering that the cancellation deed records that it is in relation to the registered partition deed dated 8 May 1972, we have proceeded on the basis that it relates only to the properties recorded in the partition deed.

- (y) Thereafter, on the same day as that of the registered cancellation to the partition deed dated 12 December 1997 (discussed above) vide the partition deed dated 12 December 1997 (registered as document No. 1766/1997-98 of Book I, Volume No. 2159, at pages 164 to 182 in the office of the Sub-Registrar, Hoskote), the children of late B. Venkataramanappa, namely (i) Yashodamma, (ii) Munegowda, (iii) Vijayamma, (iv) V. Bachegowda, (v) V. Hanumanthagowda (vi) V. Ramegowda, (vii) V. Nagarathamma, (viii) V. Narayan and (ix) Sumithra. V (Children of Venkataramanappa) partitioned certain joint family properties including Survey No. 67/1A (i.e., measuring 1 Acre 6 Guntas), Survey No. 67/1B measuring (i.e., measuring 1 Acre 7 Guntas), and Survey No. 67/2 (i.e., measuring 1 Acre 18 Guntas). On review

of the said partition deed, we *inter-alia* note that Survey No. 67/1A, Survey No. 67/2B and 67/2 were partitioned in the following manner:

Sl. No.	Name of the family members of Venkataramanappa	Survey Nos. and extent	Schedule as per the Partition Deed dated 12 December 1997
(a)	Munegowda	67/1A (p) – 12 Guntas 67/1B (p) - 15 Guntas <u>67/2(p)- 26 Guntas</u> Total: 1 Acre 13 Guntas (Munegowda's Portion)	Schedule-A
(b)	V. Hanumanthagowda	67/1A (p) – 11 Guntas 67/1B (p) – 11 ½ Guntas <u>67/2(p)- 11 ½ Guntas</u> Total: 34 Guntas (Hanumanthagowda's Portion)	Schedule 'C'
(c)	V. Narayan	67/1A(p)- 23 Guntas 67/1B (p) – 20 ½ Guntas <u>67/2(p)- 20 ½ Guntas</u> Total: 1 Acre 24 Guntas (Narayan's Portion)	Schedule 'E'

Observation:

The said partition deed records that the partition happened in the presence of Chennamma, wife of Late B. Venkataramanappa and she has affixed her signature as one of the 'panchaythidar'. Further, we are provided with the death certificate dated 27 March 2010 issued by the Chief Registrar of Births and Deaths, which records that Chennamma expired on 16 February 2010.

- (z) We note that the mutation register extract bearing MR No. 2/1997-98 was issued in furtherance to the registered partition deed dated 12 December 1997 *inter alia* recording Munegowda, Hanumanthagowda and V. Narayana as the owners/ holders of their respective portions (*as discussed above*).

8.2 Title Flow

(a) Based on the review of the documents provided to us, we note that land in Survey No. 36 measuring 5 Acres 24 Guntas with no Kharab hereinafter referred to as 'Survey No. 36', is coming within the limits of part of Sarkari Guttahalli Village, Kasaba Hobli, Hosakote Taluk, Bangalore Rural District.

Survey No. 36/1 and thereafter its further bifurcated portions:

(b) The earliest title document shared with us is the sale deed dated 8 August 1944 (registered as document No. 288/44-45, Book-I, Volume 579 at pages 170 to 171 in the office of the Sub-Registrar, Hoskote), wherein one Muniyayi, wife of Gangu sold *inter-alia* Survey No. 36/1 measuring 1 Acre 15 Guntas to Gangamma, wife of Munishami and Abbaiah, son of Muniyayi. The record of rights register extract bearing RR No. 46, records Muniya, son of Koganga as the owner of Survey No. 36/1 and the said land being ancestral property.

Observations:

We have been informed by the Representatives that the reference to Muniya, son of Koganga in the Record of Rights Register extract is a typographical error and it should have been Muniyayi, wife of Gangu. In the absence of any document establishing otherwise and no claims having been raised by Muniya, son of Koganga, we have, for the purpose of the Report, proceeded on the basis that Muniyayi, wife of Gangu was the holder of the land during the said period.

- (c) Further to the aforesaid sale deed, the names of Gangamma and Abbaiah came to be recorded as joint owners under the Index of Land Register (*illegible copy*) extract in relation to Survey No. 36/1.

Observation:

- *The above Index of Land Register extract records reference to a Record of Rights Register extract bearing RR No. 131 whereby the names of Gangamma and Abbaiah were reflected as the holders of Survey No. 36/1.*
- *We have been provided with endorsement dated 7 November 2024 bearing No. R.K.C.R/63/2024-25 issued by the Tahsildar, Hoskote Taluk recording inter-alia that Record of Rights Register extracts in relation to inter-alia Survey No. 36/1 are unavailable with office of the Tahsildar.*

- (d) Thereafter, the said Gangamma and Abbaiah have sold Survey No. 36/1 *vide* the below registered sale deeds to Chikkamuniyappa, son of Munivenkatappa:

- (i) By way of sale deed dated 17 March 1945 (registered as document No. 1476/1944-45 Book-I, Volume 587 at pages 167 to 168 in the office of the Sub-registrar, Hoskote) Abbaiah sold his undivided share of land in Survey No. 36/1 measuring 28 Guntas (out of 1 Acre 16 Guntas); and

Observations:

The aforesaid sale deed records that Survey No. 36/1 was bounded as below:

<i>East by</i>	<i>:</i>	<i>Kadarigana hola³;</i>
<i>West by</i>	<i>:</i>	<i>Rajakaluve; and</i>
<i>North and South by</i>	<i>:</i>	<i>Land belonging to Bachegowda.</i>

- (ii) By way of sale deed dated 17 August 1945 (registered as document No. 329/1945-46 Book-I, Volume 595 at pages 175 to 177 in the office of the Sub-

M

registrar, Hoskote) under which Gangamma sold her undivided share of land in Survey No. 36/1 out of 1 Acre 16 Guntas (*extent specifically not mentioned*).

Observation:

- *We note that there is no registered partition deed/ release deed executed between Gangamma and Abbaiah partitioning Survey No. 36/1 (i.e., measuring 1 Acre 16 Guntas). However, we have proceeded on the basis that the said Gangamma and Abbaiah equally held Survey No. 36/1 and have thereafter transacted with their respective shares and sold the same to Chikkamuniyappa.*
- *The aforesaid sale deed records that Survey No. 36/1 was bounded as below:*

<i>East by</i>	<i>:</i>	<i>Kadarigana hola;</i>
<i>West by</i>	<i>:</i>	<i>Rajakaluve; and</i>
<i>North and</i>	<i>:</i>	<i>Land belonging to Bachegowda.</i>
<i>South by</i>		

- (e) Accordingly, we note Chikkamuniyappa became the owner of Survey No. 36/1 (i.e., measuring 1 Acre 16 Guntas) [**Chikkamuniyappa's Portion**]. Further to the aforesaid sale deed, the name of Chikkamuniyappa came to be recorded as holder under the Index of Land Register (*illegible copy*) extract in relation to Survey No. 36/1.

Observation:

- *The above Index of Land Register extract records reference to a Record of Rights Register extract bearing RR No. 131 whereby the name of Chikkamuniyappa was reflected as the owners/holders of Survey No. 36/1.*
- *We have been provided with endorsement dated 7 November 2024 bearing No. R.K.C.R/63/2024-25 issued by the Tahsildar, Hoskote Taluk recording inter-alia that Record of Rights Register extracts in relation to inter-alia Survey No. 36/1 are unavailable with office of the Tahsildar.*

- (f) Subsequently, under a mortgage deed dated 23 May 1959 (registered as document No. 576/1959-60, Book- I Volume 932 at Page 29 in the office of the Sub-registrar, Hoskote), the said Chikkamuniyappa mortgaged Chikkamuniyappa's Portion to MPC Bank, Chikkagatiganabbe to avail a loan amount of Rs. 1000/-.

Observations:

We have not been provided with any documents evidencing discharge of the above mortgage. In the absence of the same and considering the antiquity of this mortgage, we have proceeded on the basis that such mortgages no longer subsists.

- (g) Though, Survey No. 36/1 was purchased in the individual name of Chikkamuniyappa, it appears that he has contributed Survey No. 36/1 to the joint family pool of his father, Munivenkatappa.

- (h) From the registered partition deed dated 9 October 1996 (as referred to in paragraph 8.2(j) below), we note that Chikkamuniyappa is recorded to have been deceased and the lands held by his father's family i.e., Late Munivenktappa were partitioned. In the absence of the family tree of Chikkamuniyappa, (son of Munivenkatappa), basis review of the aforesaid partition deed, we have ascertained the following:
- (i) Munivenkatappa (deceased) had 2 (two) sons namely, Chikkamuniyappa (deceased) and Sollappa (deceased).
 - (ii) The said Chikkamuniyappa (deceased) had 3 (three) sons namely, M. K. Narayanaswamy (deceased), M. C. Srinivas (deceased) and M. C. Venkatappa.
 - (A) M. K. Narayanaswamy (deceased) had a son, N. Vijaykumar.
 - (B) M. C. Srinivas (deceased) had a wife, Sharadamma and son named, G. S. Mohan.
 - (C) M. C. Munivenkatappa had a son named, C. M. Prasanna Kumar.
 - (iii) The said Sollappa (deceased) had a son named S. Venkatesh.

Observations:

We have been informed by the Representatives that the death certificates of Munivenktappa, Chikkamuniyappa, Sollappa, Narayanaswamy, M. C. Srinivas; and family tree recording the names of members of Munivenkatappa's family are not available. Accordingly, we have for the purpose of this Report proceeded on the basis that the persons identified as surviving above are the only legal heirs of late Munivenkatappa or any of his deceased legal heirs.

Tenancy claim by Marappa

- (i) We have been provided with case papers in relation to case No. LRF(K) SG400/1976-77 before the Land Tribunal, Hoskote filed by one Marappa, son of Tathappa against Sollappa claiming to be registered as tenant under Section 45 of the Karnataka Land Reforms Act, 1961. On review of the case papers, we note the following:
- (i) That the said Marappa had claimed to be cultivating *inter-alia* land in Survey No. 36/1 measuring 27 Guntas;
 - (ii) The High Court of Karnataka *vide* order dated 10 June 1980 in WP No. 4829/1979 quashed an earlier order dated 4 April 1979 passed by the Land Tribunal and had remanded the case back to the Land Tribunal with a direction to give opportunity to the both the parties to be heard in the case;
 - (iii) The Land Tribunal passed an order dated 30 October 1986 rejecting the claim filed by Marappa against Sollappa on the following grounds:

- (A) Marappa had not produced any documents and the witness put forth by him has failed to establish that he was cultivating *inter-alia* the land in Survey No. 36/1 measuring 27 Guntas;
- (B) The pahanies for the period 1969-70 to 1973-74 recorded the name of Sollappa as the cultivator, only from the period 1974-75 onwards the pahanies had recorded the name of Marappa as the cultivator; and
- (C) That neither Marappa nor his son had provided any evidence to prove the payment of rent.

Partition amongst the family members of Late Munivenktappa

(j) Subsequently, *vide* the partition deed dated 9 October 1996 (registered as document No. 1829/1996-97, Book-I, Volume 2149 at pages 65 to 75 in the office of the Sub-Registrar, Hoskote), legal heirs of late Munivenkatappa (*father of Late Chikkamuniyappa and Late Sollappa*), namely :

- (i) N. Vijay Kumar (son of Late M. K. Narayanaswamy and grandson of Late Chikkamuniyappa);

36/1	C. M. Prasanna Kumar	9	0
36/5	N. Vijay Kumar	9 ½	0

Total		56	1

- *As noted above (a) the RTC extracts issued the period 1979-80 to 1983-84 with respect to Survey No. 36/1 record the available land extent as 1 Acre 16 Guntas (including 1 Gunta 'A' Kharab), (b) the aforesaid partition deed records the total extent as 1 Acre 17 Guntas (including 2 Guntas Kharab) and (c) Hissa Survey Tippani records the total extent as 1 Acre 17 Guntas (including 1 Gunta Kharab). Further, MR No. 4/1996-97 does not record any Kharab land associated with any portions of Survey No. 36/1 as allotted to either of the aforesaid allottees under the partition deed dated 9 October 1996. We do not have any information on the basis for the discrepancy in the total extent of land in Survey No. 36/1 as recorded in the aforesaid documents.*

Considering that (a) the Project Land comprises the entire extent in Survey No. 36, (b) the family members of B. Venkataramanappa having acquired the extent of land in Survey No. 36/1 as recorded in the Hissa Survey Tippani and the said extents align with the sketch issued by the ADLR, we have proceeded on the basis that the discrepancies in the extent in relation to Survey No. 36/1 is not material presently. It is recommended that the transaction documents also record the extents as recorded under the sketch issued by the ADLR.

- (l) On combined review of the Hissa Survey Tippany extract dated 23 November 1998 and RR Pakka Book (*more fully discussed in paragraph 8.4 below*) we note that Survey No. 36/1 was phoddied/ bifurcated into 4 (four) hissias as noted below:

Further, MR No. 8/2002-03 recorded the names of the Munegowda and V. Hanumanthagowda as joint owners of Retained Survey No. 36/1.

Observation:

- We have been informed by the Representatives that by way of oral partition, Hanumanthgowda came to exclusively own Retained Survey No. 36/1 and Munegowda came to exclusively own Survey No. 36/7 and this is evidenced by way of (a) MR No. H10/2015-16; and (b) RTC extracts issued in relation to Survey No. 36/7 for the period 2002-03 to 2024-25.
- Column No. 10 of the RTC extracts issued in relation to Survey No. 36/7 for the period 2002-03 to 2024-25 makes reference to MR No. 8/2002-03. However, as mentioned above, MR No. 8/2002-023 was issued in relation to Retained Survey No. 36/1 and not in relation to Survey No. 36/7. However, the Representatives have informed us that a separate mutation register extract whereby Munegowda was recorded as the owner/holder of Survey No. 36/7 is not available.

Survey No. 36/2:

- (z) The earliest document of title provided to us is sale deed dated 20 January 1970 (registered as document No. 3368/1970-71, Book-I Volume 1263 at pages 245 to 246 in the office of the Sub-Registrar, Hoskote), executed by Venkataramanappa, Chinnappa, Doddasonnappa and Chikkasonnappa (*all sons of Pundlappa*) in favor of V. Bachegowda, son of B Venkataramanappa conveying land measuring 1 Acre 14 Guntas in Survey No. 36. On review of the record of rights register extract bearing RR No. 47, we note that Pundalunu appears to have been the original owner of Survey No. 36/2 and that the said land was his ancestral property.

Observation:

- *We have proceeded on the basis that Pundlappa and Pundalunu refer to the same individual.*
- *The Representatives have informed us that the death certificate and genealogical tree of Pundalunu are not available. In the absence of the said documents, we have proceeded on the basis that Pundalunu died intestate and was survived by only Venkataramanappa, Chinnappa, Doddasonnappa and Chikkasonnappa as his legal heirs entitled to deal with his estate.*
- *From our review of the Encumbrance Certificate issued for the period 1 April 1940 to 31 March 2004 (more fully discussed in paragraph 8.5 below) in relation to Survey No. 36/2, we find reference to a loan bond dated 30 October 1956 (registered as document No. 2239/1956-57, Book- I Volume 865 at Page 118 in the office of the Sub-registrar, Hoskote) executed by Muniyappa alias Pundalunu mortgaging Survey No. 36/2 to Government Amildar, Hoskote. We have been provided with said registered document and note that it is a release deed recording the discharge of the mortgage executed by Pundalunu in favour of Government, Amildar, Hoskote. We have not been provided with a copy of the mortgage deed further to which the above discharge deed dated 30 October 1956 was executed.*
- *We have been informed by the Representatives that the documents in terms of which Pundalunu acquired right, title and interest with respect to Survey No. 36 and Index of Land Register with respect to Survey No. 36 are not available. Therefore, for the purposes of this Report, we have considered good root of title with respect to Survey No. 36 to be the sale deed dated 20 January 1970 noted above.*

Survey No. 36/3:

- (aa) The earliest evidence of title that we have been provided with is a mortgage deed dated 16 January 1968 (registered as document No. 3949/1967-68, Book I, Volume No. 1208 at page 166) [incomplete copy], whereby, B. Venkataramanappa identifying himself as the owner mortgaged *inter-alia* Survey No. 36/3 in favour of B. D. O., Government of Mysore, Hoskote. Further, the record of rights register extract bearing RR No. 48, records the name of Bachegowda, son of Venkataramanappa as the owner of Survey No. 36/3 and that said land was his ancestral property.

Observation:

- *We have not been provided with the corresponding document evidencing discharge of the aforesaid mortgage. However, considering the antiquity of mortgage, we have proceeded on the basis that such mortgage no longer subsists and was discharged.*
- *We have been informed by the Representatives that the documents in terms of which Bachegowda acquired right, title and interest with respect to Survey No. 36/3 and Index of Land Register with respect to Survey No. 36 are not available. However, considering that subsequently all the children of Bachegowda have come together and entered into a partition including with*

respect to lands in Survey No. 36/3, and Bachegowda and his family members have been in continuous and peaceful possession and enjoyment of the land as owner thereof, the long passage of time, there being no proceedings initiated before any court of law/authority challenging their title, we have proceeded on the basis that, Bachegowda and thereafter his legal heirs were validly vested with the ownership, right, title and interest to lands in Survey No. 36/3.

Survey No. 36/4

- (bb) The earliest title document shared with us is the sale deed dated 8 August 1944 (registered as document No. 288/44-45, Book-I, Volume 579 at pages 170 to 171 in the office of the Sub-Registrar, Hoskote), wherein one Muniyayi, wife of Gangu sold *inter-alia* Survey No. 36/4 measuring 1 Acre 17 Guntas to (i) Gangamma, wife of Munishami and (ii) Abbaiah, son of Muniyayi. The record of rights register extract bearing RR No. 49, records Muniya, son of Koganga, as the owner of Survey No. 36/4 and the said land being his ancestral property.

Observations:

- *We have been informed by the Representatives that the reference to Muniya, son of Koganga in the Record of Rights Register extract is a typographical error and it should have been Muniyayi, wife of Gangu. In the absence of any document establishing otherwise and no claims having been raised by Muniya, son of Koganga, we have for the purpose of the report, proceeded on the basis that Muniyayi, wife of Gangu held the land during the said period.*
- *The aforesaid sale deed records that Survey No. 36/4 was bounded as below:*

<i>East by</i>	<i>:</i>	<i>Land belonging to Chinnamuniga and Songayi;</i>
<i>West by</i>	<i>:</i>	<i>Land belonging to Venkataramanappa (son of Bachegowda);</i>
<i>North by</i>	<i>:</i>	<i>Land belonging to Pundalumu; and</i>
<i>South by</i>	<i>:</i>	<i>Sarkari Dongari⁴.</i>

Western half portion of Survey No. 36/4

- (cc) By way of sale deed dated 6 November 1945 (registered as document No. 870/1945-46, Book- I, Volume No. 598 at pages 230 to 231 in the office of the Sub-Registrar, Hoskote), Abbaiah sold portion of Survey No. 36/4 measuring 29 Guntas to Ganga, son of Munimayi.

Observation:

- *The aforesaid sale deed records that Survey No. 36/4 was bounded as below:*

⁴ Hillock.

East by	:	Remaining portion of land in Survey No. 36/4;
West by	:	Land belonging to Venkataramanappa;
North by	:	Land belonging to Muniga alias Pundalenu; and
South by	:	Government Dongari.

- *Given that both Abbaiah and Gangamma jointly acquired title to the entire extent of land in Survey No. 36/4 measuring 1 Acre 17 Guntas under sale deed dated 8 August 1944 (as referred to in paragraph 8.2(bb) above), it appears that both parties may have orally partitioned the land in Survey No. 36/4 whereby (a) eastern half portion of Survey No. 36/4 fell to the share of Gangamma and (b) western half portion of Survey No. 36/4 fell to the share of Abbaiah. We have proceeded on this basis considering the following:*
 - (i) *The above sale deed dated 6 November 1945, records that portion of Survey No. 36/4 measuring 29 Guntas sold by Abbaiah to Ganga, son of Munimayi is bounded on the eastern side by the remaining land in Survey No. 36/4;*
 - (ii) *Ganga, son of Munimayi thereafter sold land in Survey No. 36/4A measuring 29 Guntas to Munegowda under sale deed dated 9 July 1970. On review of the RR Pakka Book (as referred to in paragraph 8.4 below), we note that Survey No. 36/4A forms part of the western side of Survey No. 36/4.*
 - (iii) *Under sale deed dated 17 April 1946 (as referred to in paragraph 8.2(ee) below) Gangamma sold eastern half of the land in Survey No. 36/4 to Dadappa alias Muneppa, son of Avalappa*

- (dd) By way of sale deed dated 9 July 1970 (registered as document No. 1249/1970-71 in the office of the Sub-Registrar, Hosakote), Gangappa *alias* Ganga, son of Munimayi sold Survey No. 36/4A measuring 29 Guntas to Munegowda, son of B. Venkataramanappa.

Observation:

We have proceeded on the basis that (a) Ganga, son of Munimayi (as referred to in paragraph 8.2(cc) above) and (b) Gangappa, wife of Munimayi refer to the same individual.

Eastern half portion of Survey No. 36/4

- (ee) By way of sale deed dated 17 April 1946 (registered as document No. 2066/ 1946-47, Book- I, Volume 610 at pages 19 to 20 in the office of the Sub-Registrar, Hoskote) Gangamma, wife of Munishami sold eastern half portion of Survey No. 36/4 (*extent not mentioned*) to Dadappa *alias* Muniyappa, son of Avaleppa.

Observation:

- *We have proceeded on the basis that (a) Gangamma, wife of Munishami (as referred to in paragraph 8.2(bb) above) and (b) Gangamma, wife of Munishamappa refer to the same individual.*
- *The aforesaid sale deed dated 17 April 1946 records that the entire extent in Survey No. 36/4 is bounded as below:*

East by	:	Land belonging to Chinnamuniga;
West by	:	Land belonging to Bachegowda;
North by	:	Land belonging to Pundalunu; and
South by	:	Sarkari dongari.

- *Prior to the aforesaid sale of eastern half portion of Survey No. 36/4 by Gangamma, we note that Abbaiah along with Muniyappa sold eastern half portion of Survey No. 36/4 measuring 1 Acres 27 Guntas to Chikkabbaiah, son of Adi Dravida Munishamappa under sale deed dated 19 March 1946 (registered as document No. 1874/ 1945-46, Book- I, Volume 607 at pages 132 to 133 in the office of the Sub-Registrar, Hoskote). However, considering that (a) Abbaiah and Gangamma were co-owners of the entire extent of land in Survey No. 36/4; (b) Abbaiah having already sold his portion viz., western half portion of Survey No. 36/4 to Ganga under sale deed dated 6 November 1945 (as referred to in paragraph 8.2(cc) above); and (c) we have not been informed of any claims to title to the eastern half portion of Survey No. 36/4A by Chikkabbaiah or his legal heirs, we have proceeded on the basis that Gangamma was vested with right, title and interest to the eastern half portion of Survey No. 36/4.*

(ff) Thereafter, under a gift deed dated 27 February 1953 (registered as document No. 3324/1952-53, Book-I, Volume 770 at pages 45 to 50 in the office of the Sub-registrar, Hoskote), Dadappa *alias* Munimayappa, son of Adi Dravida Avalappa gifted eastern half portion of Survey No. 36/4 to Peddakkamma, wife of Adi Dravida Muniyappa and her foster son Nagappa.

(gg) By sale deed dated 16 January 1965 (registered as document No. 3138/1964-65, Book I, Volume 1106 at pages 241-243 before the Sub-registrar, Hosakote), Muniyappa, son of Gangappa sold portion of Survey No. 36/4 measuring 28 ½ Guntas to B. Venkataramanappa, son of Bachegowda.

Observation:

- *Recitals of the above sale deed dated 16 January 1965 records that upon the demise of Pedakamma, her husband Muniyappa acquired right, title and interest to portion of Survey No. 36/4 measuring 28 ½ Guntas.*
- *We have not been provided with death certificate and family tree of Pedakkamma to ascertain the legal heirs of Pedakamma. However, we note that Pedakkamma's foster son Nagappa was not made party to the aforesaid sale deed dated 16 January 1965. Therefore, risk of claims to the*

title of 28 ½ Guntas in Survey No. 36/4 by Nagappa or his legal heirs cannot be ruled. That said, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, multiple registered transactions having taken place, the likelihood of claims now being raised at this point of time from any missed out family members of Pedakamma including her foster son Nagappa appear to be low. However, it is recommended that suitable representations backed by indemnity be obtained under the transaction documents.

- *On review of the RR Pakka Book in relation to inter-alia Survey No. 36/4 (as referred to in the paragraph 8.4 below), we note that Survey No. 36/4 measuring 1 Acre 17 Guntas was phodied as Survey No. 36/4A measuring 29 ½ Guntas and Survey No. 36/4B measuring 27 ½ Guntas. However, as mentioned above, Munegowda acquired title to 29 Guntas in Survey No. 36/4A (as mentioned in paragraph 8.2(dd) above) and B. Venkataramanappa having acquired title to 28 ½ Guntas in Survey No. 36/4 (later assigned with Survey No. 36/4B), the family members of B. Venkataramanappa acquired title to 1 Acre 17 ½ Guntas in Survey No. 36/4 i.e., ½ Gunta excess. However, considering that the entire extent of land in Survey No. 36/4 forms part of the Project Land and all legal heirs of B Venkataramanappa being party to the Proposed Transaction, the aforesaid discrepancy in extent is not material.*

Acquisition by Bachegowda and Munegowda (both son of Venkataramanappa):

- (hh) As gathered from paragraphs 8.2(z), 8.2(aa), 8.2(gg) and 8.2(dd) above, we note that:
- (i) Bachegowda, son of Venkataramanappa acquired title to (i) Survey No. 36/2 measuring 1 Acre 14 Guntas (*vide sale deed dated 20 January 1970 registered as document No. 3368/1970-71*), (ii) Survey No. 36/3 measuring 1 Acre 17 Guntas being his ancestral property and (iii) Survey No. 36/4B measuring 27 ½ Guntas (*vide sale deed dated 16 January 1965 (registered as document No. 3138/1964-65)*); and
 - (ii) Munegowda, son of Venkataramanappa acquired title to a portion of Survey No. 36/4A measuring 29 Guntas under sale deed dated 9 July 1970.
- (ii) Thereafter, it appears that the said Bachegowda and Munegowda contributed their respective portions viz., (i) Survey No. 36/2, (ii) Survey No. 36/3, (iii) Survey No. 36/4A and (iv) Survey No. 36/4B to the joint family pool of their father, Venkataramanappa.
- (jj) The affidavit dated 3 October 2024 sworn by V. Bachegowda, son of Venkataramanappa, before the Notary Public records the details of the family members of his grandfather, Late. Bachegowda as detailed below:

- (i) Bachegowda (*deceased*) and his wife, Doddamma (*deceased*) had 2 (two) children namely B. Venkataramanappa (*deceased*) and Muniyamma (*deceased*).
- (ii) The said Venkataramanappa was married to Chennamma (*deceased*), and they have 9 (nine) children namely Yashodamma (*deceased*), Munegowda, V. Vijayamma, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda, V. Nagarathna, V. Narayan and V. Sumitra.

Observations:

We have been informed by the Representatives that the death certificates of Bachegowda, Doddamma, Muniyamma and Yashodamma; and family tree recording the names of members of Muniyamma's family is not available. Accordingly, we have for the purpose of this Report proceeded on the basis that the persons identified as surviving above are the only legal heirs of late Bachegowda or any of his deceased legal heirs.

- (kk) Thereafter, vide the partition deed dated 8 May 1972 (registered as document No. 588/1972-73, of Book I, Volume No. 1329 at pages 19 to 25 in the office of the sub-registrar, Hoskote) the said B. Venkataramanappa along with his 5 (five) sons namely (i) Munegowda, (ii) V. Bachegowda, (iii) V. Hanumanthagowda, (iv) V. Ramegowda, and (v) V. Narayan (then being minor represented by his father and natural guardian, B. Venkataramanappa) partitioned certain family properties including Survey No. 36/2 (*i.e.*, measuring 1 Acre 14 Guntas), Survey No. 36/3 measuring (*i.e.*, measuring 1 Acre 17 Guntas), Survey No. 36/4A (*i.e.*, measuring 29 ½ Guntas) and Survey No. 36/4B (*i.e.*, measuring 27 ½ Guntas) all totally measuring 4 Acres 8 Guntas. On review of the said partition deed, we *inter-alia* note the following:

Sl. No.	Name	Survey Nos. and extent	Schedule as per the registered Partition Deed dated 8 May 1972
(a)	Munegowda	Survey No. 36/2 – 1 Acre 14 Guntas	Schedule 'B'
(b)	V. Bachegowda	36/3 – 1 Acre 17 Guntas 36/4A- 29 ½ Guntas 36/4B – 27 ½ Guntas Total: 2 Acres 34 Guntas	Schedule 'C'

Observations:

We note that Doddamma and Muniyamma i.e., wife and daughter of Bachegowda were not made parties to the registered partition deed dated 8 May 1972. We have been informed by the Representatives that no release / settlement deed were executed by them in favour of B. Venkataramanappa, releasing their right, title and interest in Survey No. 36. Considering that a registered partition was already effected and

no claims appear to have been raised by Muniyamma seeking any share and all the surviving legal heirs of Bachegowda will be joining in the execution of the transaction documents, and Dodamma and Muniyamma do not appear to have any other legal heirs, this does not appear to be a material issue.

- (ll) The (i) death certificate dated 10 September 1995, issued by the Chief Registrar of Births and Deaths records that B. Venkataramanappa expired on 4 September 1995 and (ii) death certificate dated 27 March 2010 issued by the Chief Registrar of Births and Deaths, records that Chennamma, wife of Late B. Venkataramanappa expired on 16 February 2010.
- (mm) As there were certain inconsistencies in the registered partition deed dated 8 May 1972 (discussed in paragraph 8.2(kk) of this Report), the said partition deed was cancelled *vide* cancellation to the partition deed dated 12 December 1997 (registered as document No. 1765/1997-98 of Book I, Volume No. 2199, at pages 109 to 110 in the office of the Sub-Registrar, Hoskote) which was executed between the B. Venkataramanappa and his sons namely, Munegowda, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda and V. Narayan.

Observations:

The said registered cancellation to the partition deed dated 12 December 1997 does not record the details of the survey numbers and the schedule of the properties. However, considering that the cancellation deed records that it is relation to the registered partition deed dated 8 May 1972, we have proceeded on the basis that it relates only to the properties recorded in the partition deed

- (nn) Thereafter *vide* the partition deed dated 12 December 1997 (registered as document No. 1766/1997-98 of Book I, Volume No. 2159, at pages 164 to 182 in the office of the Sub-Registrar, Hoskote) the children of Late B. Venkataramanappa, namely (i) Yashodamma, (ii) Munegowda, (iii) Vijayamma, (iv) V. Bachegowda, (v) V. Hanumanthagowda (vi) V. Ramegowda, (vii) V. Nagarathnamma, (viii) V. Narayan and (ix) Sumithra. V (Children of Venkataramanappa) partitioned certain joint family properties including Survey No. 36/2 (*i.e.*, measuring 1 Acre 14 Guntas), Survey No. 36/3 measuring (*i.e.*, measuring 1 Acre 17 Guntas), Survey No. 36/4A (*i.e.*, measuring 29 ½ Guntas) and Survey No. 36/4B (*i.e.*, measuring 27 ½ Guntas) all totally measuring 4 Acres 8 Guntas. On review of the said partition deed, we *inter-alia* note the following:

Sl.No.	Name	Survey Nos. and extent	Schedule as per the Partition Deed dated 12 December 1997
(i)	Bachegowda	36/3 (p) – 1 Acre 5 Guntas 36/4A (p) – 18.5 Guntas 36/4B (p)- 15.5 Guntas Total: 1 Acre 39 Guntas	Schedule 'B'

		(Bachegowda's Portion)	
(ii)	V. Hanumanthagowda	36/2 (p) – 26 ¼ Total: 26 ¼ Guntas (Hanumanthagowda's Portion)	Schedule 'C'
(iii)	Ramegowda	36/2(p)- 27 ¼ Guntas 36/3 (p) – 12 Guntas 36/4A (p)- 11 Guntas 36/4B (p) – 12 Guntas Total: 1 Acre 22 ¼ Guntas (Ramegowda's Portion)	Schedule 'D'

Observations:

The said partition deed records that the partition happened in the presence of Chennamma, wife of Late B. Venkataramanappa and she has affixed her signature as one of the 'panchaythidar'. Further, we are provided with the death certificate dated 27 March 2010 issued by the Chief Registrar of Births and Deaths, which records that Chennamma demised on 16 February 2010.

- (oo) We note that the mutation register extract bearing MR No. 2/1997-98 was issued in furtherance to the registered partition deed dated 12 December 1997 *inter alia* recording Bachegowda, Hanumanthagowda and Ramegowda as the owners/ holders of their respective portions in Survey No. 36/2, 36/3 and 36/4 (*more fully discussed above*).

Observation:

On review of MR No. 2/1997-98, we note that Hanumanthagowda is recorded to be the owner of Survey No. 36/1 measuring 26 ½ Guntas instead of Survey No. 36/2 measuring 26 ¼ Guntas (having been allotted the same under the partition deed dated 12 December 1997). We have been informed by the Representatives that the said discrepancy in the MR No. 2/1997-98 is an error and have proceed on the same basis for the purpose of this Report. Considering that the entire land in Survey No. 36 forms part of the Proposed Transaction, this discrepancy is not material.

Bachegowda's Portion

- (pp) Thereafter, V. Bachegowda *vide* a gift deed dated 7 July 2001 (registered as document No. 1006/2001-02 of Book I, Volume No. 2345, at pages 224 to 226, in the office of

the Sub-Registrar, Hoskote) gifted *inter alia* V. Bachegowda's Portion to his wife Rukmini.

Observations:

- *We cannot ascertain the boundaries with respect to such portion of Survey Nos. 36/3, 36/4A and 36/4B totally measuring 1 Acre 39 Guntas viz., Bachegowda's portion as only the consolidated boundary has been recorded in the said gift deed dated 7 July 2001.*
- *Further, since V. Bachegowda, was allotted portion of Survey Nos. 36/3, 36/4A and 36/4B totally measuring 1 Acre 39 Guntas, under partition deed dated 12 December 1997, such share may be considered to form coparcenary property of his family branch. If that is the case, V. Bachegowda's children, at the time of the execution of gift deed dated 7 July 2001 would also have been entitled to a share / right in V. Bachegowda's and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of V. Bachegowda including his children will be joining in the execution of the transaction documents.*

- (qq) Based on the aforesaid registered gift deed dated 7 July 2001, the khatha was transferred in the name of Rukmini with respect to Bachegowda's Portion *vide* the mutation register extract bearing MR No. 11/2001-02.
- (rr) We have been provided with the family tree dated 15 December 2023 bearing certificate No. RD0038569282747 issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore, recording the details of the family members of Bachegowda. The said Bachegowda is married to Rukmini and they have 3 (three) children namely (i) Rupashree, (ii) Rohith (married to Ranjitha and they have two children namely Bhargav and Charvi, *both minors*) and (iii) Preethi.

Observations:

We have been provided with (a) unregistered partition deed dated 18 September 2003 executed between Rukmini and her daughter, Preethi and (b) unregistered partition deed dated 18 September 2003 executed between Rukmini and her son, Rohit, whereby both Preethi and Rohit were allotted portions of Survey No. 36/3 measuring 23 Guntas and 22 Guntas respectively. However, it appears that the said unregistered partition deed was not acted upon considering the fact the revenue records continue to reflect Rukmini as the owner of Survey No. 36/3 measuring 1 Acre 5 Guntas (later assigned with Survey No. 36/9 post phodi).

Hanumanthagowda's Portion

- (ss) Hanumanthagowda *vide* a gift deed dated 7 July 2001 (registered as document No. 1005/2001-02 of Book I, Volume No. 2345, at pages 221 to 223, in the office of the Sub-registrar, Hoskote) gifted *inter alia* Hanumanthagowda's Portion to his wife Radha.

Observations:

- *We cannot ascertain the boundaries with respect to such portion of Survey No. 36/2 measuring 26 ¼ Guntas as only the consolidated boundary has been recorded in the said gift deed dated 7 July 2001.*
- *Further, since Hanumanthagowda, was allotted portion of Survey No. 36/2 measuring 26 ¼ Guntas, under partition deed dated 12 December 1997, such share may be considered to form coparcenary property of his family branch. If that is the case, Hanumanthagowda's children, at the time of the execution of gift deed dated 7 July 2001 would also have been entitled to a share / right in Hanumanthagowda's and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of Hanumanthagowda including his children will be joining in the execution of the transaction documents.*

- (tt) Based on the aforesaid registered gift deed dated 7 July 2001, the khatha was transferred in the name of Radha with respect to Hanumanthagowda's Portion *vide* the mutation register extract bearing MR No. 10/2001-02.
- (uu) We have been provided with the family tree dated 1 October 2024 bearing certificate No. RD5019267665021 issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore, recording the details of the family members of Hanumanthagowda. The said Humanthagowda is married to Radha and they have 2 (two) children namely Keerthana Hanumanthagowda and Mithun Siddartha. G.

Ramegowda's Portion

- (vv) Thereafter, Ramegowda *vide* a gift deed dated 7 July 2001 (registered as document No. 1003/2001-02 of Book I, Volume No. 2345, at pages 215 to 217, in the office of the Sub-Registrar, Hoskote) gifted *inter alia* portions of Survey No. 36/2 measuring 27 ¼ Guntas, Survey No. 36/3 measuring 12 Guntas, Survey No. 36/4A measuring 11 Guntas and Survey No. 36/4B measuring 12 Guntas, totally admeasuring 1 Acre 22 ¾ Guntas *viz.*, Ramegowda's Portion to his wife Radha Ramegowda.

Observations:

- *We cannot ascertain the boundaries with respect to such portions of Survey Nos. 36/2, 36/3, 36/4A and 36/4B admeasuring 1 Acre 22 ¾ Guntas as only the consolidated boundary has been recorded in the said gift deed dated 7 July 2001.*
- *Further, since Ramegowda, was allotted portions of Survey Nos. 36/2, 36/3, 36/4A and 36/4B totally admeasuring 1 Acre 22 ¾ Guntas, under partition deed dated 12 December 1997, such share may be considered to form coparcenary property of his family branch. If that is the case, Ramegowda's children, at the time of the execution of gift deed dated 7 July 2001 would also have been entitled to a share / right in Ramegowda's and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of Ramegowda including his children will be joining in the execution of the transaction documents.*

- (ww) Based on the aforesaid registered gift deed dated 7 July 2001, the khatha was transferred in the name of Radha Ramegowda with respect to portions of Survey Nos. 36/2, 36/3, 36/4A and 36/4B vide the mutation register extract bearing MR No. 8/2001-02.
- (xx) We have been provided with the family tree dated 12 September 2024 bearing certificate No. RD0038569285823 issued by the Deputy Tahsildar, Bangalore North Taluk, Bangalore, recording the details of the family members of V. Ramegowda. The said V. Ramegowda is married to Radha and they have 2 (two) children namely Vatsala and R. Rakshith. The said Rakshith is married to Rajashree.
- (yy) In the aforesaid manner (a) Rukmini became the owner / holder of portions of Survey No. 36/3 measuring 1 Acre 5 Guntas, Survey No. 36/4A measuring 18 ½ Guntas and Survey No. 36/4B measuring 15 ½ Guntas (**Rukmini's Portion**); (b) Radha Hanumanthagowda became the owner/holder of portion of Survey No. 36/2 measuring 26 ¼ Guntas (**Radha Hanumanthagowda's Portion**); and (c) Radha Ramegowda became the owner / holder of portion of Survey No. 36/2 measuring 27 ¾ Guntas, 36/3 measuring 12 Guntas, Survey No. 36/4A measuring 11 Guntas and Survey No. 36/4B measuring 12 Guntas (**Radha Ramegowda's Portion**).
- (zz) As gathered from the RR pakka book extract (*more fully discussed below*) we note that:
- (i) Survey No. 36/2 measuring 1 Acre 14 Guntas was bifurcated into (A) Survey No. 36/2 measuring 26 ¼ Guntas recording Radha Hanumanthagowda as the holder and (B) Survey No. 36/8 measuring 27 ¾ Guntas recording Radha Ramegowda as the holder;
- (ii) Survey No. 36/3 measuring 1 Acre 17 Guntas was bifurcated into (A) Survey No. 36/3 measuring 12 Guntas recording Radha Ramegowda as the holder and (B) Survey No. 36/9 measuring 1 Acre 5 Guntas recording Rukmini as the holder;

- We note from the RTC extracts issued for the period 1997-98 to 2000-01 in relation to Survey No. 36/1 that the names of (a) Chikkamuniyappa, (b) Vijay Kumar, (c) Sharadhamma, (d) G. S. Mohan and (e) S. Venkatesh as owners came to be deleted and the name of C. M. Prasanna Kumar came to be updated as the holder. Given that (a) Vijay Kumar, (b) Sharadhamma, (c) G. S. Mohan and (d) S. Venkatesh along with C. M. Prasanna Kumar were allotted shares under partition deed dated 9 October 1996 registered as document No. 1829/1996, we have proceeded on the basis that the deletion of names of (a) Vijay Kumar, (b) Sharadhamma, (c) G. - (C) RTC extracts issued for the period 2002-03 records the names of the following individuals as the holder:

Observation:

Whereas Survey No. 36/1 admeasures 1 Acre 16 Guntas (including 1 Gunta Kharab) in total, the RTC extracts for the period 2003-04 to 2014-15 record the total extent of land in Survey No. 36/1 to admeasure 1 Acre 24 ½ Guntas in Column No. 9. Given that (a) have been informed by the Representatives that the noting of additional 8 ½ Guntas of land in Survey No. 36/1 in Column No. 9 is due to an error and (b) Column No. 3 of the above RTC extracts records the total extent of the land in Survey No. 36/1 as 1 Acre 15 Guntas (excluding 1 Gunta Kharab), we have for the purpose of this Report, proceeded on the basis that the discrepancy reflected in Column No. 3 is an error.

- We have not been provided with RTC extracts for the period 2004-05 with respect to Survey No. 36/5, however, considering the RTC issued for the preceding years and the subsequent years have the same noting, it does not appear to be the case that any adverse entries were made in the RTC extracts for the period 2004-05.

- We have not received any documents establishing right/ interest of Munepa alias Dundalappa to Survey No. 36/2 and his name does not otherwise appear in the title flow for Survey No. 36/2. Considering that Munepa's name does not appear in the subsequent RTC extracts and the names recorded in RTC extracts thereafter tally with title flow in relation to Survey No. 36/2 mentioned above, we have proceeded on the basis that the said discrepancy in the RTC extract is not material.*

9.2 Title Flow

- (a) Based on the review of the documents provided to us, we note that the land in Survey No. 68 measuring 1 Acres 36 Guntas and no Kharab hereinafter referred to as 'Survey No. 68' is coming within the limits of Sarkari Guttahalli Village, Kasaba Hobli, Hosakote Taluk, Bangalore Rural District.
- (b) The earliest title document shared with us is the sale deed dated 15 October 1927 (registered as document No. 596/1927-28, Volume No. 341 at pages 344-349), wherein Kallu Muniga, son of Chinnappa and Neeraganti Munishami, son of Kuriga sold the entire Survey No. 68 measuring 1 Acre 36 Guntas to one Munivenkatappa, son of Yerachagwerappa.

Observation:

The Moola Tippani [date not mentioned] (discussed more fully at paragraph 9.4(b) below) records the name of one Chavadiga, son of Reddiga as the holder of Survey No. 68. We have been informed by the Representatives that the documents in terms of which Chavadiga acquired right, title and interest with respect to Survey No. 68, the manner in which it devolved onto Kallu Muniga and Neeraganti Munishami, Index of Land Register or Record of Rights Register extract with respect to Survey No. 68 are not available. Given the antiquity of the documents for the purposes of this Report, we have considered good root of title with respect to Survey No. 68 to be the sale deed dated 15 October 1927 noted above.

Survey No. 68/1

- (c) By way of sale deed dated 21 October 1940 (registered as document No. 745/1940-41, Book I, Volume No. 519 at pages 172-173 at the office of Sub-Registrar, Hoskote), Kadu Muniga, son of Chinnappa sold land in Survey No. 68 measuring 38 Guntas to Baiyanna, son of Chinnappa. The record of rights extract bearing RR No. 96 records

the name of Kallanna, son of Chinnappa as the owner of land in Survey No. 68/1 and that the said land formed his ancestral property.

Observation:

- *We have proceeded on the basis that (a) Kallu Muniga, son of Chinnappa (as referred to in paragraph 9.2(b) above); (b) Kadu Muniga, son of Chinnappa (as referred to in paragraph 9.2(c) above); and (c) Kallanna, son of Chinnappa, refer to the same individual.*
- *We have not been provided with family tree of Chinnappa/Chinnappa to confirm that Kallu Muniga/Kallanna was the only family member who had right, title and interest to 38 Guntas in Survey No. 68.*
- *We do not have clarity on the manner in which title to 38 Guntas in Survey No. 68 devolved from Munivenkatappa, son of Yerachagwerappa (as referred to in paragraph 9.2(b) above) back to Kallu Muniga. That said, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority by Munivenkatappa, for the purposes of this Report, we have proceeded on the basis that Kallu Muniga was vested with the ownership, right, title and interest to 38 Guntas in Survey No. 68 without claims from any other person.*

- (d) Thereafter, by way of sale deed dated 27 March 1950 (registered as document No. 2281/1949-50, Book I, Volume No. 701 at pages 238-289 at the office of Sub-Registrar, Hoskote), Muniyamma, wife of Baiyanna sold land in Survey No. 68 measuring 38 Guntas to Poojamma, wife of Poojappa.

Observation:

We have been informed by the Representatives, that upon the demise of Baiyanna, son of Chinnappa (as referred to in the paragraph 9.2(c) above) the title to 38 Guntas in Survey No. 68 devolved upon his wife, Muniyamma. We have not been provided with death certificate and family tree of Baiyanna to conclude that Muniyamma was his only legal heirs. Therefore, claims if any from the legal heirs of Baiyanna cannot be ruled out. That said, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority, Muniyamma does appear to have solely succeeded to the ownership, right, title and interest of 38 Guntas in Survey No. 68 without claims from any other person.

- (e) By way of sale deed dated 23 March 1964 (registered as document No. 1031/1964-65), whereby one, Dodda Muniyamma, wife of Baiyanna sold land in Survey No. 68/1 measuring 38 Guntas to Venkataramanappa, son of Bachegowda.

Observation:

- *We do not have any clarity on the manner in which title to 38 Guntas in Survey No. 68 devolved from Poojamma (as referred to in paragraph 9.2(d) to Dodda Muniyamma, wife of Baiyanna (as referred to in paragraph 9.2(e) above). That said, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority by Poojamma, for the purpose of this Report we have proceeded on the basis that Dodda Muniyamma was vested with the ownership, right, title and interest to 38 Guntas in Survey No. 68 without claims from any other person.*
- *We note that the total extent of land in Survey No. 68/1 admeasures 37 Guntas. However, land in Survey No. 68/1 measuring 38 Guntas i.e., 1 Gunta excess, was sold by Dodda Muniyamma to Venkataramanappa. In this regard, please see our observation at paragraph 9.2(q) below.*

- (f) By way of mortgage deed dated 16 January 1968 (registered as document No. 3949/of 1968-69) B. Venkataramanappa mortgaged *inter-alia* Survey No. 68/1 in favour of Government of Mysore represented by B.D.O. Hoskote.

Observation:

We have not been provided with documents evidencing discharge of the above mortgage deed dated 16 January 1968. On review of the Encumbrance Certificate issued for the period 20 May 1942 to 31 March 2004 in relation to Survey No. 68/1, we note reference to clearance certificate dated 7 September 1972 (registered as document No. 3148/1972) executed by Tahsildar, Hoskote in favour of Venkataramanappa. However, we have not been provided with a copy of the clearance certificate dated 7 September 1972. In the absence of any documents, we have proceeded on the basis that such mortgage no longer subsists considering the antiquity of the mortgage.

Survey No. 68/2

- (g) We have been provided with sale deed dated 8 November 1940 (registered as document No. 846/1940-41, Book I, Volume No. 520 at pages 207-208 at the office of the sub-registrar, Hoskote), whereby one, Neeraganti Soga *alias* Chinappanna, son of Neerganti Venkataramana sold land in Survey No. 68 measuring 19 Guntas to Baiyanna, son of Chinnappanna. The record of rights extract bearing RR No. 97 records the name of Songa, son of Venkataramana as the owner of land in Survey No. 68/2 and that the said land formed his ancestral property.

Observation:

- *We have proceeded on the basis that (a) Neeraganti Soga *alias* Chinnappa, son of Neerganti Venkataramana and (b) Songa, son of Venkataramana (as recorded in RR No. 97 issued in relation to Survey No. 68/2) refer to the same individual.*

• *We do not have clarity on the manner in which title to 19 Guntas in Survey No. 68 devolved from Munivenkatappa, son of Yerachagwerappa (as referred to in paragraph 9.2(b) above) to Neeraganti Soga alias Chinnappa. Further, the record of rights register extract bearing RR No. 97 records that the said land formed ancestral property of Neeraganti Soga. Further, we have not been provided with family tree of Neeraganti Venkataramana to confirm that Neeraganti Soga was the only family member who had right, title and interest to 19 Guntas in Survey No. 68. That said, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority, for the purpose of this Report, we have proceeded on the basis that Neeraganti Soga was vested with the ownership, right, title and interest to 19 Guntas in Survey No. 68 without claims from any other person.*

- (h) By way of sale deed dated 5 May 1952 (registered as document No. 644/1952-53, Book-I, Volume No. 753 at pages 16-17 at the office of sub-registrar, Hoskote), Narayanappa, son of Mariyappa sold land in Survey No. 68 measuring 19 Guntas to Chikkamuniyappa, son of Munivenkatappa.

Observation:

We do not have clarity on the manner in which title to 19 Guntas in Survey No. 68 devolved from Baiyanna, son of Chinappanna (as referred to in paragraph 9.2(g) to Narayanappa, son of Mariyappa (as referred to in paragraph 9.2(h) above). That said, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority by Baiyanna, for the purpose of this Report, we have proceeded on the basis that Narayanappa was vested with the ownership, right, title and interest to 19 Guntas in Survey No. 68 without claims from any other person.

- (i) By way of sale deed dated 15 March 1962 (registered as document No. 3656/1961-62, Book I, Volume No. 1018 at pages 170-172 at the office of the sub-registrar, Hoskote) M. C. Narayanswamy, son of Late Chikkamuniyappa sold land in Survey No. 68 measuring 19 Guntas to Neeraganti Soga alias Chinnappanna.

Observation:

- *On review of the aforesaid sale deed dated 15 March 1962, we note that upon the demise of Chikkamuniyappa, his son M. C. Narayanswamy acquired title to the land in Survey No. 68 measuring 19 Guntas as his legal heir.*
- *We have not been provided with the death certificate and family tree of Chikkamuniyappa. Further, we have been informed by the Representatives that the death certificate and family tree of Chikkamuniyappa is not available.*
- *On review of the partition deed dated 9 October 1996 (as more fully described in paragraph 8.2(j) above), we note that Chikkamuniyappa had 3 (three) sons namely, M. C. Narayanaswamy, M. C. Srinivas and M. C. Venkatappa. Therefore, claims if any by M.C. Srinivas and M. C. Venkatappa or their legal heirs making claims on the title to Survey Nos.*

68/2 and 68/5 respectively cannot be ruled out. However, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, and multiple registered transactions having taken place, we have proceeded on the basis that M. C. Srinivas and M. C. Venkatappa may have orally released/relinquished any/all claims to lands including 19 Guntas in Survey No. 68 whereby M. C. Narayanaswamy also was entitled to succeed to the said land following the demise of their father Chikkamuniyappa.

- (j) By way of sale deed dated 15 March 1962 (registered as document No. 3657/1961-62, Book I, Volume No. 1017 at pages 189-191 at the office of the sub-registrar, Hoskote), (a) Neeraganti Soga *alias* Chinnappa along with his sons (b) Muniyappa, minor represented by his father, Neeraganti Soga *alias* Chinnappa and (c) Chikkavenkataramanappa sold land in Survey No. 68 measuring 19 Guntas to M. Venkatavanappa, son of Mutthappa.

Observation

- *On review of the aforesaid sale deed dated 15 March 1962 registered as document No. 3657/1961-62, we note the following:*
 - (a) *Land in Survey No. 68 measuring 19 Guntas formed the ancestral property of Neeraganti Soga who had thereafter sold the said land to Baiyanna under sale deed dated 8 November 1940 (more fully described in paragraph 9.2(g) above);*
 - (b) *Further, the said Baiyanna had sold the land in Survey No.68 measuring 19 Guntas to Chikkamuniyappa under sale deed dated 26 May 1952; and*
 - (c) *Chikkamuniyappa's son Narayanaswamy thereafter sold back the said land to Neeraganti Soga under sale deed dated 15 March 1962 (as more fully described in paragraph 9.2(j) above).*

However, from the sale deed referred in paragraph 9.2(h), we note that it was Narayanappa, son of Mariyappa and not Baiyanna who sold the said land to Chikkamuniyappa.

- *Further, we have not been provided with family tree of Neerangti Venkataravanappa, father of Neeraganti Soga *alias* Chinnappa to ascertain the family members having right, title and interest in the land measuring 19 Guntas in Survey No. 68. Therefore, claims if any from the family members of Neeraganti Venkatarvanappa in relation to Survey Nos. 68/2 and 68/5 cannot be ruled out. However, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, and multiple registered transactions having taken place, the likelihood of claims now being raised at this point of time from the family members of Neeraganti Venkataravanappa appear to be low.*

- (k) Thereafter, by way of sale deed dated 15 July 1963 (registered as document No. 1641/1963-64, Book-I, Volume No. 1064 at pages 116-118 at the office of Sub-

Registrar, Hoskote), M. Venkataravanappa, son of Mutthappa sold land in Survey No. 68 measuring 19 Guntas to S. Rudrappa, son of Sangappa.

- (l) By way of sale deed dated 16 September 1965 (registered as document No. 2203/1965-66, Book-I, Volume No. 1132 at pages 91-93 at the office of Sub-Registrar, Hoskote), R. Siddappa, son of S. Rudrappa, sold land in Survey No. 68 measuring 19 Guntas to Venkataramanappa, son of Soga *alias* Chinnappanna.

Observation:

On review of the sale deed dated 16 September 1965, we note that R. Siddappa's father S. Rudrappa had acquired land in Survey No. 68 measuring 19 Guntas under sale deed dated 15 July 1963 registered as document No. 1641/1963-64 (as more fully described in paragraph 9.2(k) above). Upon the demise of S. Rudrappa, his son namely R. Siddappa had acquired right, title and interest to land in Survey No. 68 measuring 19 Guntas. We have not been provided with death certificate and family tree of S. Rudrappa to ascertain the family members having right, title and interest in the land measuring 19 Guntas in Survey No. 68. Therefore, claims if any from the family members of S. Rudrappa in relation to Survey Nos. 68/2 and 68/5 cannot be ruled out. However, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, and multiple registered transactions having taken place, the likelihood of claims now being raised at his point of time from the family members of S. Rudrappa appear to be low.

- (m) By way of sale deed dated 30 August 1968 (registered as document No. 2252/1968-69, Book-I, Volume No. 1227 at pages 20-21 at the office of Sub-Registrar, Hoskote), Venkataramanappa, son of Soga *alias* Chinnappanna sold land in Survey No. 68 measuring 19 Guntas to Poojamma, wife of Chikka Mariappa.
- (n) By way of sale deed dated 9 July 1970 (registered as document No. 1248/1970-71, Book-I, Volume No. 1278 at pages 62-63 at the office of Sub-Registrar, Hoskote), Poojamma, sold land in Survey No. 68 measuring 19 Guntas to Munegowda, son of Venkataramanappa.

Survey No. 68/3

- (o) The earliest title document shared with us is the sale deed dated 20 January 1970 (registered as document No. 3369/1969-70, Book I, Volume No. 1264 at pages 194-195 at the office of Sub-Registrar, Hoskote), whereby one, Narasimhaiah, son of Sonappa sold land in Survey No. 68/3 measuring 19 Guntas to Bachegowda, son of Venkataramanappa.

Observation:

We do not have any information on the manner in which title to 19 Guntas in Survey No. 68 devolved from Munivenkatappa, son of Yerachagwerappa (as referred to in paragraph 9.2(b) above) to Narasimhaiah. That said, considering the long passage of time from the date of aforementioned sale, continuous and peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority by Munivenkatappa, for the purpose of

this Report we have proceeded on the basis that Narasaiah was vested with the ownership, right, title and interest to 38 Guntas in Survey No. 68 without claims from any other person.

- (p) We have been provided with record of rights extract bearing RR No. 98 which records the name of Chikka Muniya, son of Chinnappa as the owner of land in Survey No. 68/3 and that the said land formed his ancestral property.

Observation:

We have not received any information establishing right/ interest of Chikka Muniya to Survey No. 68 and his name does not otherwise appear in the title flow for Survey No. 68/3. Therefore, considering long passage of time, peaceful possession and enjoyment of the land by the successors in title, there being no proceedings initiated before any court of law/authority by Chika Muniya, we have proceeded on the basis that reference to Chikka Muniya appearing in the record of rights extract to be an error.

Acquisition by Venkataramanappa and his family:

- (q) As gathered from paragraphs 9.2(e), 9.2(n) and 9.2(o), we note the following:
- (i) Venkataramanappa acquired land in Survey No. 68/1 measuring 38 Guntas (vide sale deed dated 23 March 1964 registered as document No. 1031/1964);
 - (ii) Munegowda acquired land in Survey No. 68 measuring 19 Guntas (vide sale deed dated 9 July 1970 registered as document No. 1248/1970-71); and
 - (iii) V. Bachegowda acquired land in Survey No. 68/3 (vide sale deed dated 20 January 1970 registered as document No. 3369/1970).

Observation:

We note that land in Survey No. 68 measuring 1 Acre 36 Guntas was phoddied into 3 (three) portions as (a) Survey No. 68/1 measuring 37 Guntas; (b) Survey No. 68/2 measuring 20 Gunta and (c) Survey No. 68/3 measuring 19 Guntas.

However, we note that family members of B. Venkataramanappa acquired title to (a) Survey No. 68 measuring 38 Guntas (i.e., in excess of 1 Gunta), (b) Survey No. 68 measuring 19 Guntas (i.e., 1 Gunta less) and (c) Survey No. 68/3 measuring 19 Guntas. as set out above, the B. However, given that the Venkataramanappa's family acquired title to entire extent in Survey No. 68 admeasuring 1 Acre 36 Guntas and have thereafter been in continuous possession, this discrepancy in extent does not appear to be a concern.

- (r) The affidavit dated 3 October 2024 sworn by V. Bachegowda, son of Venkataramanappa, before the Notary Public records the details of the family members of his grandfather, Late. Bachegowda as detailed below:

- (i) Bachegowda (*deceased*) and his wife, Doddamma (*deceased*) had 2 (two) children namely B. Venkataramanappa (*deceased*) and Muniyamma (*deceased*).
- (ii) The said Venkataramanappa was married to Chennamma (*deceased*), and they have 9 (nine) children namely Yashodamma (*deceased*), Munegowda, V. Vijayamma, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda, V. Nagarathna, V. Narayan and V. Sumitra.

Observations:

We have been informed by the Representatives that the death certificates of Bachegowda, Doddamma, Muniyamma and Yashodamma; and family tree recording the names of members of Muniyamma's family is not available. Accordingly, we have for the purpose of this Report proceeded on the basis that the persons identified as surviving above are the only legal heirs of late Bachegowda or any of his deceased legal heirs.

- (s) Thereafter, under the partition deed dated 8 May 1972 (registered as document No. 588/1972-73, of Book I, Volume No. 1329 at pages 19 to 25 in the office of the sub-registrar, Hoskote) the said B. Venkataramanappa along with his 5 (five) sons namely (i) Munegowda, (ii) V. Bachegowda, (iii) V. Hanumanthagowda, (iv) V. Ramegowda, and (v) V. Narayan (then being minor represented by his father and natural guardian, B. Venkataramanappa) partitioned certain family properties including (i) Survey No. 68/1; (ii) Survey No. 68/2 and (iii) Survey No. 68/3 in the following manner:

Sl. No.	Name	Survey Nos. and extent	Schedule as per the registered Partition Deed dated 8 May 1972
(i)	Munegowda	Survey No. 68/1 – 37 Guntas Survey No. 68/2 – 20 Guntas	Schedule 'B'
(ii)	V. Bachegowda	Survey No. 68/3 – 19 Guntas	Schedule 'C'

Observations:

We note that Doddamma and Muniyamma i.e., wife and daughter of Bachegowda were not made parties to the registered partition deed dated 8 May 1972. We have been informed by the Representatives that no release / settlement deed were executed by them in favour of B. Venkataramanappa, releasing their right, title and interest in Survey No. 68. Considering that a registered partition deed was already effected and no claims appear to have been raised by Muniyamma seeking any share, and that all the surviving legal heirs of Bachegowda will be joining in the

execution of the transaction documents, and Dodamma and Muniyamma do not appear to have any other legal heirs, this does not appear to be a material issue.

- (t) The (i) death certificate dated 10 September 1995, issued by the Chief Registrar of Births and Deaths records that B. Venkataramanappa expired on 4 September 1995 and (ii) death certificate dated 27 March 2010 issued by the Chief Registrar of Births and Deaths, records that Chennamma, wife of Late B. Venkataramanappa expired on 16 February 2010.
- (u) As there were certain inconsistencies in the registered partition deed dated 8 May 1972 (*discussed in paragraph 9.2(s) of this Report*), the said partition deed was cancelled *vide* cancellation to the partition deed dated 12 December 1997 (registered as document No. 1765/1997-98 of Book I, Volume No. 2199, at pages 109 to 110 in the office of the Sub-Registrar, Hoskote) which was executed between the B. Venkataramanappa and his sons namely, Munegowda, V. Bachegowda, V. Hanumanthagowda, V. Ramegowda and V. Narayan.
- (v) Thereafter, on the same day as that of the registered cancellation to the partition deed dated 12 December 1997 (*discussed above*) *vide* the partition deed dated 12 December 1997 (registered as document No. 1766/1997-98 of Book I, Volume No. 2159, at pages 164 to 182 in the office of the Sub-Registrar, Hoskote) the children of late B. Venkataramanappa, namely (i) Yashodamma, (ii) Munegowda, (iii) Vijayamma, (iv) V. Bachegowda, (v) V. Hanumanthagowda (vi) V. Ramegowda, (vii) V. Nagarathamma, (viii) V. Narayan and (ix) Sumithra. V (Children of Venkataramanappa) partitioned certain joint family properties including (i) Survey No. 68/1; (ii) Survey No. 68/2 and (iii) Survey No. 68/3 in the following manner:

Sl.No.	Name	Survey Nos. and extent	Schedule as per the Partition Deed dated 12 December 1997
(i)	Bachegowda	68/2 (p) – 1 Guntas 68/3 (p) – 19 Guntas Total: 20 Guntas (Bachegowda's Portion)	Schedule 'B'
(ii)	V. Hanumanthagowda	Survey No. 68/1(p) – 21 ¼ (Hanumanthagowda's Portion)	Schedule 'C'
(iii)	Ramegowda	Survey No. 68/1(p)- 15 ¼ Guntas Survey No. 68/2 (p) – 19 Guntas	Schedule 'D'

		Total: 34 ¼ Guntas (Ramegowda's Portion)	
--	--	---	--

Observations:

The said partition deed records that the partition happened in the presence of Chennamma, wife of Late B. Venkataramanappa and she has affixed her signature as one of the 'panchaythidar'. Further, we are provided with the death certificate dated 27 March 2010 issued by the Chief Registrar of Births and Deaths, which records that Chennamma expired on 16 February 2010.

- (w) We note that the mutation register extract bearing MR No. 2/1997-98 was issued in furtherance to the registered partition deed dated 12 December 1997 *inter alia* recording Munegowda, Hanumanthagowda and V. Narayana as the owners/ holders of their respective portions (*as discussed above*).

- *Further, given that Hanumanthagowda was allotted portion of Survey No. 68, under partition deed dated 12 December 1997, such share would form coparcenary property of his family branch. - *Further, given that Ramegowda was allotted portion of Survey No. 68, under partition deed dated 12 December 1997, such share would form coparcenary property of his family branch. Therefore, Ramegowda's children, at the time of the execution of gift deed dated 7 July 2001 had right in Survey No. 68 and that he could not have gifted the said lands to the exclusion of his children. In this regard, we are informed that all the legal heirs of Ramegowda including his children will be joining in the execution of the transaction documents.*

Further, it appears that the above endorsement records Survey No. 36/2A1 measuring 11 Guntas instead of Survey No. 36/4A1 measuring 11 Guntas.

Given the above discrepancies in extent and noting of the land details, it is recommended that an updated endorsement be obtained recording the correct details and extent of the Project Land.
